## EXPLANATORY NOTE

*(This note is not part of the Regulations.)*

These Regulations further amend the Welfare Foods Regulations (Northern Ireland) 1988 (“the principal Regulations”).

Regulation 2 inserts a definition of the Board, as it is the Board who makes decisions about tax credit and inserts a definition of guaranteed credit.

Regulation 3 amends regulation 2 (Free milk, dried milk and vitamins) of the principal Regulations. From 6th October 2003, the pregnant partners of persons entitled to the guarantee credit element of state pension credit will be entitled to free milk, dried milk or vitamins for personal consumption. From 29th August 2003, entitlement will be removed for those children in families where the person or persons to whom an award of child tax credit is made is entitled to working tax credit.

In addition, regulation 3(4) inserts a new sub-paragraph (2)(aa) that provides that an expectant or nursing mother who is, or is a member of the family of a person who is, entitled to child tax credit and meets the stipulated requirements is entitled to vitamins.

Regulations 4 and 5 make consequential amendments in relation to evidence of entitlement.
