

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations substitute regulation 8(3) and (4) of the Controlled Waste Regulations (Northern Ireland) 2002 and thereby refer to the Animal By-Products Order (Northern Ireland) 2002 rather than the Animal By-Products Regulations (Northern Ireland) 1993 (Regulation 2(2)).

A change to the numbering of certain regulations has also been made (Regulation 2(1)).
