STATUTORY RULES OF NORTHERN IRELAND

---

**2003 No. 495**

**Animal By-Products Regulations (Northern Ireland) 2003**

**PART VII**

**RECORDS**

**Treatment records for biogas and composting plants**

**36.** The operator of a biogas or composting plant treating catering waste or other animal by-products shall record –

- (a) the date on which the material is treated;
- (b) a description of the material treated;
- (c) the quantity of material treated; and
- (d) the result of all checks carried out at the critical points identified under paragraph 4 of Part I of Schedule 1; and
- (e) sufficient information to show that the material is treated to the required parameters;

and if he fails to do so he shall be guilty of an offence.
