
STATUTORY RULES OF NORTHERN IRELAND

2003 No. 532

The Railways Regulations (Northern Ireland) 2003

PART IV

INTERNATIONAL LICENCES

Conditions of international licences

18. An international licence shall include conditions requiring the licence holder to satisfy requirements as to the good repute, financial fitness, professional competence and cover for liabilities to third parties of the licence holder, including those requirements specified in Schedule 2, and may include conditions –

- (a) requiring the licence holder to submit to a review of its licence at least every five years during the currency of the licence;
- (b) concerning the suspension or revocation of the licence.
