EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations relate to notices that may be served on relevant persons under Article 26(2A) of the Rates (Northern Ireland) Order 1977 requiring such persons to provide information to the Department of Finance and Personnel. Article 26(2B) of the same Order defines who is a relevant person for these purposes. This includes gas and electricity undertakers, telecommunications providers and district councils. The Regulations prescribe the type of information that may be required by such a notice. The information required is for the purpose of identifying the person entitled to possession of an unoccupied non-domestic property and, therefore, the person liable to unoccupied property rate.

A person who fails, without reasonable excuse, to comply with the requirements of a notice is guilty of an offence and is liable on summary conviction to a fine not exceeding level 3 on the standard scale. A person who, in response to a notice, makes a statement which he knows to be false in a material particular or recklessly makes any statement to which it is false in a material particular, is guilty of an offence and is liable on summary conviction to imprisonment for a term not exceeding 3 months or to a fine not exceeding level 3 on the standard scale or to both.
