Multi-employer schemes

Multi-employer schemes: general

6.—(1) In its application to a multi-employer scheme, Article 75 shall have effect in relation to each employer as if –

 - (i) in a case where the difference is ascertained immediately before a relevant event occurs in relation to the employer, a reference to an amount equal to the employer’s share of the difference being treated as a debt due from the employer, and
 - (ii) in a case where the difference is ascertained immediately before an employment cessation event occurs in relation to the employer, a reference to an amount equal to the sum of the cessation expenses attributable to the employer and the employer’s share of the difference being treated as a debt due from the employer, and
 - (f) Article 75(4)(d) and (e) were omitted.
- (2) For the purposes of paragraph (1), an employer’s share of the difference is –
- (a) such proportion of the total difference as, in the opinion of the actuary after consultation with the trustees or managers, the amount of the scheme’s liabilities attributable to employment with that employer bears to the total amount of the scheme’s liabilities attributable to employment with the employers, or

- (4) For the purposes of these Regulations, an employment-cessation event occurs in relation to an employer if he ceases to be an employer employing persons in the description of employment to which the scheme relates at a time when at least one other person continues to employ such persons.
- (5) For the purposes of paragraph (1), the cessation expenses attributable to an employer are all expenses which, in the opinion of the trustees or managers of the scheme, are likely to be incurred in connection with the employment-cessation event occurring in relation to the employer.

- 7.—(1) This regulation shall apply where –
- (a) Article 75 applies with the modifications referred to in regulation 6, and
 - (b) the amount of the liabilities of a scheme immediately before an employment-cessation event is being determined in order to determine whether a debt is to be treated as due from the employer under Article 75(4).
- (2) Regulation 5 shall apply –
- (a) with the omission of paragraphs (1)(a) and (2) and the references to those provisions in paragraph (1)(b), (c) and (d) (by virtue of which liabilities for pensions and other

benefits are to be valued on the assumption that they will be discharged by the purchase of annuities), and

- (b) with the omission of paragraph (3).

Multi-employer schemes: sectionalised schemes

8.—(1) In its application to a multi-employer scheme –

- (a) which is divided into 2 or more sections, and
(b) the provisions of which are such that the sections meet conditions A and B,

Article 75 and the provisions of these Regulations (apart from this regulation) shall apply as if each section of the scheme were a separate scheme.

(2) Condition A is that contributions payable to the scheme by an employer, or by a member in employment under that employer, are allocated to that employer's section (or, if more than one section applies to that employer, to the section which is appropriate in respect of the employment in question).

(3) Condition B is that a specified part or proportion of the assets of the scheme is attributable to each section and cannot be used for the purposes of any other section.

(b) which is divided into 2 or more sections, one or more of which apply only to members who are not in pensionable service under the section;
(c) the provisions of which have not been amended so as to prevent conditions A and B being met in relation to 2 or more sections, and
(d) in relation to one or more sections of which those conditions have ceased to be met at any time by reason only of there being no members in pensionable service under the section and no contributions which are to be allocated to it,

Article 75 and the provisions of these Regulations (apart from this paragraph) shall apply as if any section in relation to which those conditions have ceased to be met were a separate scheme.

(5) For the purposes of paragraphs (1) to (4), any provisions of the scheme by virtue of which contributions or transfers of assets may be made to make provision for death benefits are disregarded.

(6) But if paragraph (1) or (4) applies and, by virtue of any provisions of the scheme, contributions or transfers of assets to make such provision are made to a section (“the death benefits section”) the assets of which may only be applied for the provision of death benefits, the death benefits section is also to be treated as a separate scheme.

(7) For the purpose of this regulation, any provisions of the scheme by virtue of which assets attributable to one section may on the winding up of the scheme or a section be used for the purposes of another section are disregarded.

Former employers

Former employers

9.—(1) In the application of Article 75 and these Regulations to a scheme which has no active members, references to employers include every person who employed persons in the description of employment to which the scheme relates immediately before the occurrence of the event after which the scheme ceased to have any active members.

- (a) any pre-April 1997 participator (see paragraph (7)), and
- (b) any person who has ceased on or after 6th April 1997 and before the applicable time to be a person employing persons in the description of employment to which the scheme relates, unless –
 - (i) when he so ceased the scheme was not being wound up and continued to have active members, and
 - (ii) condition A, B, C or D is met.

(3) Condition A is that no debt was treated as becoming due from him under Article 75(2) or (4) (or, if he so ceased before 6th April 2005, under Article 75(1) (as then in operation)) by virtue of his so ceasing.

(4) Condition B is that such a debt was treated as becoming due from him and has been paid before the applicable time.

(5) Condition C is that such a debt was treated as becoming due from him and has not been so paid solely because he was not notified of the debt, and of the amount of it, sufficiently in advance of the applicable time for it to be paid before that time.

(6) Condition D is that such a debt was treated as becoming due from him but at the applicable time it is excluded from the value of the assets of the scheme because it is unlikely to be recovered without disproportionate cost or within a reasonable time.

(7) In this regulation “pre-April 1997 participator” means a person who immediately before 6th April 2005 was regarded as an employer for the purposes of the Deficiency on Winding Up Regulations by virtue of regulation 6 of those Regulations (ceasing to participate: transitional provision).

- (b) the reduction is attributable to an act or omission which –
 - (i) constitutes an offence prescribed for the purposes of Article 79(1)(c) (cases where compensation provisions apply), or
 - (ii) in the case of an act or omission which occurred outside Northern Ireland, would constitute such an offence if it occurred in Northern Ireland, and
- (c) immediately after the act or omission or, if that time cannot be determined, at the earliest time when the auditor of the scheme knows that the reduction has occurred, the amount of that reduction exceeds the value of the unallocated assets of the scheme.
- (4) In this regulation –
 - “allocated assets”, in relation to a scheme, means assets which have been specifically allocated for the provision of benefits to or in respect of members (whether generally or individually) or for the payment of the scheme’s expenses (and “unallocated” is to be read accordingly);

 - (b) the amount of the criminal reduction in the aggregate value of the allocated assets of the scheme at any time is to be calculated by subtracting the actual aggregate value of those assets at that time from the notional aggregate value of those assets.
- (3) The notional aggregate value mentioned in paragraph (2)(b) is to be taken to be the sum of the values of the assets –
 - (a) as stated in the audited accounts which most immediately precede the relevant act or omission, or
 - (b) if there are none, as certified in a statement by the scheme’s auditor,adjusted appropriately to take account of any alteration in their values (other than any alteration attributable to that act or omission) between the date as at which those accounts are prepared or, as the case may be, as at which that statement is given and the time in question.
- (4) The actual aggregate value mentioned in paragraph (2)(b) is to be calculated in the same manner as it was calculated for the purposes of the accounts mentioned in paragraph (3)(a) or, as the case may be, the statement mentioned in paragraph (3)(b).
- (5) In the case of an ear-marked scheme –
 - (a) the value at any time of the unallocated assets of the scheme, and
 - (b) the amount of the criminal reduction in the aggregate value of the allocated assets of the scheme,

 - (b) paragraph (2) shall not apply to the scheme, and
 - (c) part of the scheme meets paragraph (b) of the tax condition by virtue of that part having been treated as a separate scheme under section 611(3) of the Taxes Act 1988 that is treated as becoming a registered pension scheme under paragraph 1(1) of Schedule 36 to the Finance Act 2004 by virtue of paragraph 1(2) of that Schedule.

 - (d) in relation to one or more sections of the scheme those conditions have ceased to be met at any time by reason only of there being no members in pensionable service under the section and, in the case of paragraph (1), no contributions which are to be allocated to it.

(6) If this paragraph applies –

- (a) Article 75 and these Regulations (apart from this regulation) shall apply as if any section in relation to which those conditions have ceased to be met were a separate scheme, and
- (b) the reference to the scheme in the form set out in Schedule 1 may be modified appropriately.

(7) Before 6th April 2006 paragraph (3) shall apply with the substitution for sub-paragraph (c) of the following paragraph –

- “(c) part of the scheme meets paragraph (a) of the tax condition by virtue of section 611(3) of the Taxes Act 1988.”.

(3) In this regulation –

“the guaranteed part of the scheme” means the part of the scheme –

- (a) in relation to which the guarantee has been given;
- (b) which relates to benefits payable under the scheme in relation to which the guarantee has been given, or
- (c) which relates to benefits payable under the scheme in relation to the liabilities for which those other arrangements have been made, and

“relevant public authority” has the meaning given in Article 280(4) of the 2005 Order.

Supplementary

16.—(1) This regulation shall apply for the purposes of Article 68(2)(e) (power of trustees to modify schemes by resolution for prescribed purposes).

(2) In the case of a trust scheme (whether or not a money purchase scheme) which apart from this regulation could not be modified for the purpose of making provision for the total amount of a debt due under Article 75(2) or (4) to be apportioned amongst the employers in different proportions from those which would otherwise apply by virtue of regulation 6(2)(a) or, as the case may be, regulation 10(1A) (as it has effect by virtue of regulation 12), for the purposes of Article 68(2)(e), such a modification of the scheme is a modification for a prescribed purpose.

Disregard of staying of voluntary winding up of employer for purposes of Article 75

17.—(1) This regulation shall apply for the purposes of Article 75(6D)(i) (by virtue of which where a members' voluntary winding up of an employer is stayed, Article 75 has effect as if the resolution for the winding up had never been passed and any debt which arose under that Article by virtue of the passing of the resolution had never arisen, except where the winding up is stayed in prescribed circumstances).

(2) The circumstances that are prescribed are where the stay is granted for a limited period.

EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations are made as a consequence of provisions in the Pensions (Northern Ireland) Order 2005 (“the 2005 Order”) and replace the Occupational Pension Schemes (Deficiency on Winding Up, etc.) Regulations (Northern Ireland) 1996 (“the Deficiency on Winding Up Regulations”) where debts arise under Article 75 of the Pensions (Northern Ireland) Order 1995 (“the 1995 Order”) in respect of certain occupational pension schemes which begin to wind up after 6th April 2005.

Regulation 1 provides that these Regulations come into operation on 6th April 2005, but do not apply in the case of schemes that have begun to wind up before that date or, unless the scheme is a money purchase scheme, if a debt arose under Article 75 of the 1995 Order before that date.

(21) S.R. 1996 No. 584; relevant amending Regulations are S.R. 1997 No. 162, S.R. 1999 No. 309 and S.R. 2003 No. 256

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Regulation 2 provides for interpretation and identifies the Actuarial Guidance Notes GN 19 and GN 27 that will be used in connection with the calculation of any debt.

Regulation 3 provides that the Deficiency on Winding Up Regulations do not apply in any case where these Regulations apply.

Regulation 4 makes provision about the schemes that are excluded from Article 75 of the 1995 Order and hence from these Regulations. They largely correspond with the schemes that are excluded from being eligible schemes for the purposes of Part III of the 2005 Order.

Regulation 5 makes provision about how the assets and liabilities of schemes are to be valued for the purposes of Article 75 of the 1995 Order. It provides for all liabilities in respect of pensions or other benefits to be valued on the basis that the trustees or managers will provide for them by buying annuities, but, apart from that, for similar principles to apply as apply for the purpose of minimum funding valuations and for the valuation certificate set out in Schedule 1 to be used. The costs of winding up the scheme are to be included amongst its liabilities.

Regulations 6 to 8 deal with how Article 75 of the 1995 Order and these Regulations apply to multi-employer schemes.

Regulation 6 provides that a debt only arises under Article 75(2) of the 1995 Order while a multi-employer scheme is being wound up if a deficit in the scheme assets occurs before a relevant event has occurred in relation to all the employers, and all the employers are then responsible for a share of the debt. But whether a debt arises under Article 75(4) of the 1995 Order is judged by reference to each of the employers separately and debts under that Article are also taken to arise as respects an employer if he ceases to have any employees in pensionable service to which the scheme applies. The debt on each employer under Article 75(4) of the 1995 Order is his share of the deficit in the assets.

Regulation 7 modifies the rules in regulation 5 where a debt arises because of an employer in a multi-employer scheme ceasing to have any employees in pensionable service. The provisions about buying annuities and including winding up costs are disapplied.

Regulation 8 provides that Article 75 of the 1995 Order and these Regulations apply as if sections of multi-employer schemes were separate schemes.

Regulation 9 ensures that in the case of a scheme which has no active members Article 75 of the 1995 Order and these Regulations apply as if anyone who was an employer immediately before the scheme ceased to have any active members is treated as an employer and so may be liable for a debt.

Regulations 10 to 13 deal with how Article 75 of the 1995 Order and these Regulations apply to money purchase schemes.

Regulation 10 modifies Article 75 of the 1995 Order so that it only applies to money purchase schemes in two cases, which differ from those where it applies for defined benefit schemes. The first is where general levy has not been paid and the second is where there has been a reduction in the scheme's assets because of a crime. Regulation 11 provides special valuation rules for these cases.

Regulation 12 modifies how regulation 10 applies where the money purchase scheme is a multi-employer scheme, apportioning the deficit among the employers in a similar way to regulation 6.

Regulation 13 makes similar provision to regulation 9 for former employers in relation to money purchase schemes.

Regulation 14 provides that sectionalised schemes covering United Kingdom and foreign employment are to be treated as separate schemes.

Regulation 15 provides that where a scheme is partly the subject of a government guarantee, the part that is so subject and the other part are treated as separate schemes.

Regulation 16 enables trustees to modify schemes by resolution for the purpose of apportioning debts under Article 75 of the 1995 Order amongst employers in different proportions from those that would otherwise apply.

Regulation 17 prescribes the circumstances in which the staying of the voluntary winding up of an employer is disregarded for the purposes of Article 75 of the 1995 Order. Stays for a limited period are prescribed so that the resolution for the winding up and any debt which arose under that section by virtue of the passing of the resolution are not affected by the temporary staying of the winding up.

Regulation 18 introduces Schedule 2 which contains amendments of the Occupational Pension Schemes (Minimum Funding Requirement and Actuarial Valuations) Regulations (Northern Ireland) 1996, the Occupational Pension Schemes (Investment) Regulations (Northern Ireland) 1996 and the Occupational Pension Schemes (Winding Up) Regulations (Northern Ireland) 1996 that are consequential on the changes made to Article 75 of the 1995 Order by the 2005 Order.

As these Regulations make, in so far as they are made under Part II of the 1995 Order, in relation to Northern Ireland only provision corresponding to provision contained in regulations made by the Secretary of State for Work and Pensions in relation to Great Britain, the requirement for consultation under Article 117(1) of the 1995 Order does not apply by virtue of paragraph (2)(e) of that Article.

Articles 75, 75A and 87(2) of the 1995 Order, some of the enabling provisions under which these Regulations are made, are amended by Articles 248 and 249 of, and paragraph 60(b) of Schedule 10 to, the 2005 Order. The Pensions (2005 Order) (Commencement No. 1 and Consequential and Transitional Provisions) Order (Northern Ireland) 2005 ([S.R. 2005 No. 48 \(C. 5\)](#)) provides for the coming into operation of Article 248 of the 2005 Order, for the purpose of authorising the making of regulations, on 25th February 2005 and for all other purposes, on 6th April 2005. The Pensions (2005 Order) (Commencement No. 2 and Transitional Provisions) Order (Northern Ireland) 2005 ([S.R. 2005 No. 166 \(C. 12\)](#)) provides for the coming into operation of –

Article 249 of the Order on 25th March 2005;

paragraph 60(b) of Schedule 10 to the 2005 Order, for the purpose of authorising the making of regulations, on 25th March 2005 and fully on 6th April 2005.
