**2005 No. 546**

**The Feed (Hygiene and Enforcement)  
Regulations (Northern Ireland) 2005**

**PART 4**

**Administration and Enforcement Generally**

**Enforcement**

**16.** It is the duty of the Department of Agriculture and Rural Development to execute and enforce the provisions of these Regulations, Regulation 183/2005 and those provisions of Regulation 178/2002 mentioned in regulation 15(2).

**Feed business improvement notices**

**17.—(1)** If an authorised officer has reasonable grounds for believing that a feed business operator is failing to comply with specified feed law, he may by a notice served on that person (in these Regulations referred to as a “feed business improvement notice”)—

- (a) state the officer’s grounds for believing that the feed business operator is failing to comply with specified feed law;
- (b) specify the matters which constitute the feed business operator’s failure to comply;
- (c) specify the measures which, in the officer’s opinion, the feed business operator must take in order to secure compliance; and
- (d) require the feed business operator to take those measures, or measures which are at least equivalent to them, within such period (not being less than 14 days) as may be specified in the notice.

(2) Any person who fails to comply with a feed business improvement notice is guilty of an offence.

(3) A feed business improvement notice must state the right to appeal under regulation 18 and the appropriate time limit for bringing any such appeal.

**Right of appeal against feed business improvement notices**

**18.—(1)** Any person who is aggrieved by a decision of an authorised officer to serve a feed business improvement notice may appeal to a court of summary jurisdiction.

(2) The procedure on an appeal to a court of summary jurisdiction under paragraph (1) shall be by way of notice under Part VII of the Magistrates' Courts (Northern Ireland) Order 1981.

(3) The period within which an appeal under paragraph (1) may be brought shall be—

- (a) one month from and including the date on which notice of the decision was served on the person desiring to appeal; or

(b) if it is shorter, the period specified in the notice pursuant to regulation 17(1)(d), and a notice under Part VII shall be deemed for the purposes of this paragraph to be the bringing of the appeal.

### **Appeals to County Court**

**19.** A person who is aggrieved by—

- (a) the decision of a court of summary jurisdiction to dismiss an appeal to it under regulation 13(1) or 18(1); or
- (b) any decision of such a court to make a feed business prohibition order or a feed business emergency prohibition order,

may appeal to the County Court.

### **Actions resulting from appeals**

**20.—**(1) On an appeal against a feed business improvement notice the court may cancel or affirm the notice and, if it affirms it, may do so either in its original form or with such modifications as the court may in the circumstances think fit.

(2) Where any period specified in a feed business improvement notice pursuant to regulation 17(1)(d) would otherwise include any day on which an appeal against that notice is pending, that day shall be excluded from that period.

(3) Any appeal shall be regarded as pending for the purposes of paragraph (2) until it is finally disposed of, is withdrawn or is struck out for want of prosecution.

### **Feed business prohibition orders**

**21.—**(1) If—

- (a) a feed business operator is convicted of an offence under specified feed law; and
- (b) the court by or before which he is so convicted is satisfied that the health risk condition is fulfilled with respect to the feed business concerned,

the court shall by an order impose the appropriate prohibition.

(2) The health risk condition is fulfilled with respect to any feed business if any of the following involves risk of injury to health (including any impairment, whether permanent or temporary), namely—

- (a) the use for the purposes of the business of any process or treatment;
- (b) the construction of any premises used for the purposes of the business, or the use for those purposes of any equipment; or
- (c) the state or condition of any premises or equipment used for the purposes of the business;

and health means the health of an animal or, through the consumption of the products of such animal, human health.

(3) The appropriate prohibition is—

- (a) in a case falling within sub-paragraph (a) of paragraph (2), a prohibition on the use of the process or treatment for the purposes of the business;
- (b) in a case falling within sub-paragraph (b) of that paragraph, a prohibition on the use of the premises or equipment for the purposes of the business or any other feed business of the same class or description; and

- (c) in a case falling within sub-paragraph (c) of that paragraph, a prohibition on the use of the premises or equipment for the purposes of any feed business.

(4) If—

- (a) a feed business operator is convicted of an offence under specified feed law; and
- (b) the court by or before which he is so convicted thinks it proper to do so in all the circumstances of the case,

the court may, by an order, impose a prohibition on the feed business operator participating in the management of any feed business, or any feed business of a class or description specified in the order.

(5) As soon as practicable after the making of an order under paragraph (1) or (4) (in these Regulations referred to as a “feed business prohibition order”), the enforcement authority shall—

- (a) serve a copy of the order on the relevant feed business operator; and
- (b) in the case of an order made under paragraph (1), affix a copy of the order in a conspicuous position on such premises used for the purposes of the feed business as they consider appropriate,

and any person who knowingly contravenes such an order is guilty of an offence.

(6) A feed business prohibition order shall cease to have effect—

- (a) in the case of an order made under paragraph (1), on the issue by the enforcement authority of a certificate to the effect that it is satisfied that the feed business operator has taken sufficient measures to secure that the health risk condition is no longer fulfilled with respect to the feed business; and
- (b) in the case of an order made under paragraph (4), on the giving by the court of a direction to that effect.

(7) The enforcement authority must issue a certificate under sub-paragraph (a) of paragraph (6) within three days of its being satisfied as mentioned in that sub-paragraph; and on an application by the feed business operator for such a certificate, the authority must—

- (a) determine, as soon as is reasonably practicable and in any event within 14 days, whether or not it is so satisfied; and
- (b) if it determines that it is not so satisfied, give notice to the feed business operator of the reasons for that determination.

(8) The court shall give a direction under sub-paragraph (b) of paragraph (6) if, on an application by the feed business operator, the court thinks it proper to do so having regard to all the circumstances of the case, including in particular the conduct of the feed business operator since the making of the order; but no such application shall be entertained if it is made—

- (a) within six months of the making of the feed business prohibition order; or
- (b) within three months of the making by the feed business operator of a previous application for such a direction.

(9) Where a court of summary jurisdiction makes an order under regulation 22(2) with respect to any feed business, paragraph (1) shall apply as if the feed business operator had been convicted by the court of an offence under specified feed law.

(10) Where the commission of an offence by a feed business operator leads to the conviction of another person pursuant to regulation 34(1), paragraph (4) shall apply in relation to that other person as it applies in relation to the feed business operator and any reference in paragraph (5) or (8) to the feed business operator shall be construed accordingly.

## **Feed business emergency prohibition notices and orders**

**22.**—(1) If an authorised officer of the enforcement authority is satisfied that the health risk condition is fulfilled with respect to any feed business he may by a notice served on the relevant feed business operator (in these Regulations referred to as a “feed business emergency prohibition notice”) impose the appropriate prohibition.

(2) If a court of summary jurisdiction is satisfied, on the application of such an officer, that the health risk condition is fulfilled with respect to any feed business, the court shall, by an order (in these Regulations referred to as a “feed business emergency prohibition order”), impose the appropriate prohibition.

(3) Such an officer shall not apply for a feed business emergency prohibition order unless, at least one day before the date of the application, he has served notice on the relevant feed business operator of his intention to apply for the order.

(4) Paragraphs (2) and (3) of regulation 21 apply for the purposes of this regulation as they apply for the purposes of that regulation, but as if the reference in paragraph (2) to risk of injury to health were a reference to imminent risk of injury.

(5) As soon as practicable after the service of a feed business emergency prohibition notice, an authorised officer of the enforcement authority must affix a copy of the notice in a conspicuous position on such premises used for the purposes of the feed business as he considers appropriate; and any person who knowingly contravenes such a notice shall be guilty of an offence.

(6) As soon as practicable after the making of a feed business emergency prohibition order, an authorised officer of the enforcement authority must—

- (a) serve a copy of the order on the relevant feed business operator; and
- (b) affix a copy of the order in a conspicuous position on such premises used for the purposes of the feed business as he considers appropriate,

and any person who knowingly contravenes such an order shall be guilty of an offence.

(7) A feed business emergency prohibition notice shall cease to have effect—

- (a) if no application for a feed business emergency prohibition order is made within the period of three days beginning with and including the day on which the notice was served, at the end of that period; or
- (b) if such an application is so made, on the determination or abandonment of the application.

(8) A feed business emergency prohibition notice or a feed business emergency prohibition order shall cease to have effect on the issue by the enforcement authority of a certificate to the effect that it is satisfied that the feed business operator has taken sufficient measures to secure that the health risk condition is no longer fulfilled with respect to the feed business.

(9) The enforcement authority must issue a certificate under paragraph (8) within three days of being satisfied as mentioned in that paragraph; and on an application by the feed business operator for such a certificate, the authority must—

- (a) determine as soon as is reasonably practicable and in any event within 14 days whether or not it is so satisfied; and
- (b) if it determines that it is not so satisfied, give notice to the feed business operator of the reasons for that determination.

(10) Where a feed business emergency prohibition notice is served on a feed business operator, the enforcement authority must compensate him in respect of any loss suffered by reason of his complying with the notice unless—

- (a) an application for a feed business emergency prohibition order is made within the period of three days beginning with and including the day on which the notice was served; and

- (b) the court declares itself satisfied, on the hearing of the application, that the health risk condition was fulfilled with respect to the feed business at the time when the notice was served,

and any disputed question as to the right to or the amount of any compensation payable under this paragraph shall be determined by a single arbitrator appointed, failing agreement between the parties, by the Department and the provisions of the Arbitration Act 1996(1) shall apply accordingly.

- 23.** Anyone guilty of an offence under regulation 17(2), 21(5) or 22(5) or (6) is liable—

- (b) any premises (not being premises used only as a dwelling) on which he has reasonable cause to believe that there is any feed which the occupier of the premises has in his possession or under his control.

(2) If a lay magistrate, on sworn information in writing, is satisfied that there is reasonable ground for entry into any such premises as are mentioned in paragraph (1), and either—

- (a) that admission to the premises has been refused, or a refusal is apprehended, and that notice of the intention to apply for a warrant has been given to the occupier; or
- (b) that an application for admission or the giving of such a notice would defeat the object of the entry, or that the case is one of urgency, or that the premises are unoccupied or the occupier temporarily absent,

the lay magistrate may by warrant signed by him authorise the authorised officer to enter the premises, if need be by reasonable force.

(3) Every warrant granted under this regulation shall continue in force for a period of one month.

(4) An authorised officer entering premises by virtue of this regulation, or of a warrant issued under it, may take with him such other persons and such equipment as may appear to him to be necessary, and on leaving any unoccupied premises which he has entered by virtue of such a warrant, must leave them as effectively secured against unauthorised entry as he found them.

- (7) Without prejudice to his powers and duties as to the taking of samples in the prescribed manner, an authorised officer may take a sample in a manner other than that prescribed of any material which has been sold for use as feed or which he has reasonable cause to believe to be intended for sale as such.
- (8) Where, for the purpose of taking a sample pursuant to paragraph (6) or (7), an authorised officer takes some of it from each of one or more containers, which are exposed for sale by retail, and none of which weighs more than six kilograms, the owner of the container or containers may require the authorised officer to purchase the container or containers on behalf of the enforcement authority.
- (9) An authorised officer entering premises by virtue of this regulation, or of a warrant issued under it, has the right—
- (a) to require any person carrying on, or appearing to be carrying on, a feed business, or any person employed in connection with such a business, to produce any record (in whatever form it is held) relating to or arising out of the exercise in the course of that business of any such activity, and which is in his possession or under his control; and
  - (b) to inspect and take copies of any record, or of any entry in any record produced in pursuance of the preceding sub-paragraph.
- (10) An authorised officer exercising the power conferred by paragraph (9) in respect of a record held by means of a computer—

- (a) a requirement is made under paragraph (9)(a) in relation to any feeding stuff which is, or appears to be, intended for a particular nutritional purpose; and
  - (b) at the time the requirement is made, the record in respect of which it is made has been published and is available in accessible form for public use,
- the person of whom the requirement is made shall be deemed to comply with it if, at the time it is made, he supplies the authorised officer making it with correct and adequate details of the publication concerned, and of where a copy of it may be obtained.

(12) An authorised officer entering premises by virtue of this regulation, or of a warrant issued under it, has the right to seize and detain any record which he has reasonable cause to believe to be a record which may be required as evidence in proceedings under specified feed law.

(b) seize the material in order to have it dealt with by a lay magistrate,

and any person who knowingly contravenes the requirements of a notice under sub-paragraph (a) is guilty of an offence.
