

SCHEDULE 7

CONSEQUENTIAL AMENDMENTS

The Condensed Milk and Dried Milk Regulations (Northern Ireland) 2003

19. For Note 3 to Schedule 1 (partly or wholly dehydrated preserved milk products and their reserved descriptions) there is substituted the following Note—

- “3. The preservation of the designated products shall be achieved—
- (a) by heat treatment for the products referred to in paragraph 1(a) to (d) of column 1;
 - (b) by the addition of sucrose for the products referred to in paragraph 1(e) to (g) of column 1; and
 - (c) by dehydration for the products referred to in paragraph 2 of column 1.”.
