(2) In these Regulations “specified for vaccination” means specified as an animal to be vaccinated in a decision to undertake a vaccination programme undertaken in accordance with regulation 9(2).

(3) References in these Regulations to “animals originating in”, in respect of a vaccination zone mean—

- (a) an animal kept in the vaccination zone after declaration of the zone; and
- (b) an animal which was kept within the boundaries of the vaccination zone at any time during the period—
 - (i) beginning 21 days before the declaration of the vaccination zone; and
 - (ii) ending with that declaration,

and the expression “susceptible animal originating in” shall be construed accordingly.

(4) The Interpretation Act (Northern Ireland) 1954(9) shall apply to these Regulations as it applies to an Act of the Northern Ireland Assembly.

Premises comprising common or unenclosed land

3. For the purposes of these Regulations—

- (a) common or unenclosed land forms separate premises from other land unless—
 - (i) the parcels of land adjoin, and
 - (ii) all animals kept on each parcel of land are in the charge of the same keeper;
- (b) a notice which is to be served on the occupier of premises wholly or partially comprising any common or unenclosed land is validly served if served on every keeper of animals kept there (so far as those persons are reasonably ascertainable);
- (c) a requirement or restriction imposed on the occupier of premises wholly or partially comprising any common or unenclosed land applies to every keeper of animals kept there.

Licences and declarations

4.—(1) A licence granted to any person under these Regulations—

- (a) shall be in writing;
- (b) may, in addition to any conditions authorized by other provisions of these Regulations, be made subject to such conditions as the Department considers necessary to prevent the spread of disease; and
- (c) may be amended, suspended or revoked in writing at any time.

(2) A declaration under these Regulations shall be in writing.

(3) Any amendment or revocation of a declaration shall be made by further declaration.

Notices

5.—(1) A notice served on any person under these Regulations—

- (a) shall be in writing; and
- (b) may be amended or revoked by further notice in writing at any time.

(2) A notice which—

- (a) is served on the occupier of premises; and
- (b) imposes a requirement or restriction in respect of those premises,

shall contain a description of those premises sufficient to enable the extent of the premises to be ascertained.

(3) Such a description may be amended in writing by an inspector if he is satisfied that it does not describe an appropriate area for the purposes of investigating and monitoring the spread of disease in respect of animals which are usually kept together.

Dissemination of information concerning restrictions and requirements

6.—(1) The Department shall take such steps as it considers fit to ensure that licences, declarations and notices are brought to the attention of those who may be affected by them as soon as is reasonably practicably.

(2) The Department shall also ensure that—

- (a) the extent of any zone declared under these Regulations;
- (b) the nature of the restrictions and requirements applicable within the zone; and
- (c) the date of its declaration; and
- (d) the date that declaration ceases to have effect in respect of the zone or any part of it,

are publicised.

Disinfection

7. Disinfection under these Regulations shall be carried out with a disinfectant which is—

- (a) approved for use for the purpose of these Regulations and the FMD Regulations by the Diseases of Animals (Approval of Disinfectants) Order (Northern Ireland) 1972⁽¹⁰⁾;
- (b) used in accordance with the manufacturer's instructions or recommendations (if any) and in particular, if use is recommended before any date, used before that date.
