EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Housing Renewal Grants (Reduction of Grant) Regulations (Northern Ireland) 2004 (“the 2004 Regulations”) which set out the means test for determining the amount of renovation grant, disabled facilities grant and replacement grant which may be paid by the Housing Executive to owner–occupier and tenant applicants under Chapter II of Part III of the Housing (Northern Ireland) Order 2003. The amendments are mostly consequential on changes to the Housing Benefit (General) Regulations (Northern Ireland) 1987 (S.R. 1987 No. 461), upon which the means test in the 2004 Regulations is based. The main changes of this nature are as follows—

Regulation 3 provides for the 2004 Regulations, where they apply in relation to relevant persons or their partners who have attained the qualifying age for state pension credit, to have effect subject to modifications similar to some of those made for housing benefit by the Housing Benefit (State Pension Credit) Regulations (Northern Ireland) 2003 (S.R. 2003 No. 197).

Regulation 5 amends regulation 2 of the 2004 Regulations by inserting a definition of “patient”

Regulation 6 amends regulation 3 of the 2004 Regulations to provide that no grant shall be payable if the applicant applies in the knowledge that a person from abroad who has no entitlement to housing benefit lives or intends to live in the dwelling or, as the case may be, in flat in the building.

Regulation 7 amends regulation 6 of the 2004 Regulations to provide that parents and guardians of disabled persons aged 16 to 18 who are not in advanced level education and not in receipt of benefits are exempt from the means test for disabled facilities grant.

Regulation 8 increases the amounts specified in regulation 11 of the 2004 Regulations, thus increasing the “applicable amount” for the purpose of determining the amount of grant payable.

Regulation 9 uprates the loan generation factors for the purposes of regulation 13 of the 2004 Regulations, which determines the amount by which grant is reduced in cases where the financial resources of the applicant(s) exceed the “applicable amount”.

Regulation 12 introduces, into regulation 18 of the 2004 Regulations, a disregard in respect of the income and capital of a child or young person, and regulations 16 and 17 make amendments consequential upon this.

Regulation 13 increases the maximum deduction which may be made, in cases meeting certain conditions, in respect of average weekly relevant child care charges for the purpose of determination of income on a weekly basis under regulation 19 of the 2004 Regulations.

Regulation 18 increases amounts specified in regulation 44 of the 2004 Regulations as sums to be excluded from a student’s grant income where the student does not have a student loan.

Regulation 19 uprates applicable amounts and premiums in Schedule 1 to the 2004 Regulations.

Regulation 20 amends Schedule 2 to the 2004 Regulations to reflect changes made by the Housing Benefit (Miscellaneous Amendments) Regulations (Northern Ireland) 2004 (S.R. 2004 No. 47). Paragraph 18 of Schedule 2 provides for the amount which is to be disregarded from earnings under that Schedule to be increased where certain conditions are satisfied as to the minimum number of hours in each week in which the relevant person or any partner is engaged in remunerative work. The minimum number of hours is reduced from 30 to 16 where the relevant person is a lone parent, or where the relevant person and partner are responsible for one or more children, or where the person engaged in the remunerative work is over the age of 50 or satisfies the condition for a disability premium.
