
STATUTORY RULES OF NORTHERN IRELAND

2006 No. 488

Phosphorus (Use in Agriculture)
Regulations (Northern Ireland) 2006

PART 2

MEASURES RELATING TO THE LAND APPLICATION OF FERTILISERS

Duty of the controller to prevent water pollution

3. Subject to regulation 2, the controller of a holding shall not knowingly or otherwise cause directly or indirectly the entry of chemical fertiliser into any waterway or water contained in any underground strata.
