
STATUTORY RULES OF NORTHERN IRELAND

2006 No. 5

The Weighing Equipment (Non-automatic Weighing
Machines) Regulations (Northern Ireland) 2006

PART III

MANNER OF ERECTION AND USE FOR TRADE

Manner of erection where weight or other printing device is fitted

26. Where a non-automatic weighing machine is fitted with a weight or any other printing device, the machine shall be so erected and used that the printing device, when used, produces a clear and durable printout.
