(2) The Authority shall pay out the buy-out fund, by the 1st November immediately following the relevant obligation period in accordance with the system of allocation specified in paragraphs (3) to (6).

(3) The buy-out fund relating to a relevant obligation period shall be divided amongst the United Kingdom suppliers who meet one or more of the applicable conditions referred to in paragraphs (4) and (5) so that each such United Kingdom supplier receives a proportion of the buy-out fund calculated in accordance with paragraph (6).

(4) The applicable condition for a designated electricity supplier is that, in respect of the relevant obligation period, he has complied (in whole or in part) with his renewables obligation by producing qualifying certificates to the Authority.

(5) The applicable condition for a Great Britain designated supplier is that, in respect of a period contemporaneous with the relevant obligation period, it has complied (in whole or in part) with any renewables obligation imposed on it in accordance with section 32(1) of the Electricity Act by producing qualifying certificates to the Great Britain Authority.
