Old system students who are continuing students

24.—(1) This regulation applies to an old system student who began a designated course before 1st September 2006 and is continuing on that course after 31st August 2007 (a “continuing student”), or began a designated course on or after 1st September 2006 at a relevant institution of higher education in the Republic of Ireland and is continuing on that course after 31st August 2007.

(2) A continuing student does not qualify for a grant for fees in respect of any academic year of the course that begins on or after 1st September 2007 where in the course of assessing an application for support in respect of an academic year of the designated course that began before 1st September 2006 the Department determined in accordance with regulations made under Article 3 of the Order that the student did not qualify for fee support in respect of the designated course.

(3) A continuing student does not qualify for a grant for fees in respect of a designated course if the designated course is a flexible postgraduate course for the initial training of teachers.

(4) A continuing student does not qualify for a grant for fees in respect of an academic year of a designated course that is a bursary year or an Erasmus year.

(5) When assessing an application for support in respect of an academic year of the designated course, the Department must determine the “standard entitlement”.

(6) The standard entitlement is calculated as follows—

$$(\text{SAY} - X) + 1$$

where

SAY is the number of standard academic years of the designated course that begin after 31st August 2006

X is the number of academic years of the designated course that begin after 31st August 2006 in respect of which the Department determined in accordance with regulations made under Article 3 of the Order that the student did not qualify for a grant for fees in the course of assessing an application for support in respect of an academic year of the designated course that began before 1st September 2006.

(7) When assessing an application for support in respect of an academic year of the designated course, the Department must allocate a grant for fees from the standard entitlement first to the final standard academic year of the course and then to each preceding standard academic year in turn

until the standard entitlement is exhausted or a grant for fees has been allocated to each standard academic year of the course.

(8) A continuing student qualifies for a grant for fees in respect of a standard academic year of the designated course if the Department allocates a grant for fees to that year when assessing the application for support for that year.

(9) The amount of the grant for fees in respect of an academic year is determined in accordance with regulation 30, 31 or 32 and may be nil.

Old system students who are transferring students

25.—(1) Subject to paragraph (2), this regulation applies to an old system student who—

- (a) began a designated course on or after 1st September 2006 and is continuing on that course after 31st August 2007; or

having had his status as an eligible student transferred to the course as a result of one or more transfers of that status by the Department pursuant to regulations made under Article 3 of the Order from a designated course that he began before 1st September 2006 (a “transferring student”).

(2) This regulation does not apply where an eligible student has transferred from a course in relation to which he was a gap year student to another designated course in accordance with regulations made by the Department under Article 3 of the Order.

(3) Where in the course of assessing an application for support in respect of an academic year of the relevant course, the Department determined in accordance with regulations made under Article 3 of the Order that the student did not qualify for fee support in respect of that course, a transferring student does not qualify for a grant for fees in respect of any academic year of the current course.

(4) In this regulation, the “relevant course” is the designated course that the student was taking as at 31st August 2006.

(5) A transferring student does not qualify for a grant for fees in respect of a designated course if the designated course is a flexible postgraduate course for the initial training of teachers.

(6) A transferring student does not qualify for a grant for fees in respect of an academic year of a designated course that is a bursary year or an Erasmus year.

(7) When assessing an application for support in respect of an academic year of a designated course, the Department must determine the “standard entitlement”.

(8) The standard entitlement is calculated as follows where the course began before 1st September 2007 and is not a course listed in paragraph (11)—

$$\lfloor RAY - X \rfloor + 1$$

where

RAY is the number of standard academic years of the relevant course that remain after 31st August 2006

X is the number of academic years of the relevant course that remain after 31st August 2006 in respect of which the Department determined in accordance with regulations made under Article 3 of the Order that the student did not qualify for a grant for fees in the course of assessing an application for support in respect of an academic year of the relevant course where that year began before 1st September 2006.

(9) The standard entitlement is calculated as follows where the course begins on or after 1st September 2007 and is not a course listed in paragraph (11)—

$$\lfloor RAY - X - 0.5 \rfloor + 1$$

where

RAY is the number of standard academic years of the relevant course that remain after 31st August 2006

X is the number of academic years of the relevant course that remain after 31st August 2006 in respect of which the Department determined in accordance with regulations made under Article 3 of the Order that the student did not qualify for a grant for fees in the course of assessing an application for support in respect of an academic year of the relevant course where that year began before 1st September 2006

SS is the number of academic years of study that the student has taken from and including 1st September 2006 in respect of which he qualified for fee support (excluding any years of repeat study for compelling personal reasons) or which were bursary years or Erasmus years.

(10) The standard entitlement is calculated as follows where the course is one listed in paragraph (11)—

000+1

where

OD is the number of academic years that make up the ordinary duration of the designated course.

(11) The courses are—

- (a) a course for the degree (including an honours degree) of Bachelor of Education where the student has transferred to that course from a course for the Certificate in Education on or before the completion of the latter course; or
- (b) a course for the honours degree of Bachelor of Education where the student has transferred to that course from a course for the degree (other than an honours degree) of Bachelor of Education on or before the completion of the latter course.

(12) When assessing an application for support in respect of an academic year of a designated course, the Department must allocate a grant for fees from the standard entitlement first to the final standard academic year of the course and then to each preceding standard academic year in turn until the standard entitlement is exhausted or a grant for fees has been allocated to each standard academic year of the course.
