is entitled to two pensions.

(2) The pensions shall be calculated as mentioned in paragraphs (3) and (4) and shall become payable as mentioned in paragraph (5).

(3) The amount of the first pension is that found by multiplying the member's pensionable service up to (but not including) the day on which paragraph (1) first applies to him by the final pensionable pay to which he would have been entitled had he retired on that day, and dividing the resultant amount by 60.

(4) The amount of the second pension is that found by multiplying the member's pensionable service on and after the day on which paragraph (1) first applies to him by the final pensionable pay to which he is entitled on that day, and dividing the resultant amount by 60.

(5) Subject to paragraph (6), the pensions become payable on the date on which a pension would have become payable to the member in whichever of the circumstances referred to in articles 11, 12, 13, 15 and 16 applies in his case.

(6) A member who is entitled to two pensions under this article may, by notice in writing to the Board, before leaving that employment, instruct the Board to make a single award which shall be calculated in accordance with paragraph (7).

(7) The single award under paragraph (6) shall be calculated by—

- (a) multiplying the aggregate of the periods of pensionable service used for the purposes of paragraphs (3) and (4) by the final pensionable pay used for the purposes of paragraph (4), and
- (b) dividing the resultant amount by 60.

(8) If the member makes a contributions election, he shall be entitled to a single pension, calculated as mentioned in paragraph (3); and that pension shall be treated for the purposes of

article 13(4) to (6) and article 14 as if it were a deferred pension to which he was entitled under article 13.

Refund of aggregate pension contributions

18.—(1) A firefighter member who—

- (a) leaves the Board’s employment without satisfying an eligibility condition; or
- (b) remains in the that employment but makes a contributions election before he has accrued three months’ qualifying service,

is entitled to a refund of his aggregate pension contributions less—

- (i) the amount of any tax and national insurance premium required to be deducted; and
- (ii) such part of any contributions equivalent premium paid in respect of the member as is permitted by or under section 57 of the 1993 Act.

(2) In paragraph (1), “aggregate pension contributions” means all of the payments made by the member to the Board by way of pension contributions.

Commutation: general

19.—(1) Subject to paragraphs (3) and (4), a person entitled or prospectively entitled to any pension under this Part may commute a portion of it (“the commuted portion”) for a lump sum.

(2) The lump sum shall be calculated by multiplying by 12 the amount of the person’s pension represented by the commuted portion at the date of retirement.

(3) A person taking ill–health retirement may not commute any portion of a higher tier ill–health pension.

(4) The commuted portion must not exceed—

- (a) in a case to which paragraph (4) or (5) of article 15 applies, one quarter of the amount of the pension calculated in accordance with that paragraph;
- (b) in any other case, one quarter of the amount to which he is entitled by way of pension.

(5) In order to commute a portion of a pension a person must—

- (a) not earlier than four months before the date on which he intends to retire; but
- (b) not later than the day before the pension comes into payment,

give the Board written notice of commutation specifying the commuted portion.

(6) Notice of commutation takes effect on the day of the person’s retirement (“the effective date”).

(7) The Board shall—

- (a) from the effective date, reduce the person’s pension by the commuted portion; and
- (b) as soon as reasonably practicable after the effective date, pay the lump sum.

(8) In relation to a deferred pension, a pension on member-initiated early retirement, a pension on Board-initiated early retirement, or either or both of the two pensions referred to in article 17, paragraphs (6) and (7) have effect as if references to the day of retirement and the effective date were references to the date on which the pension comes into payment.

(9) For the purposes of this article—

- (a) the pension of a pension debit member shall be taken to be the amount of the pension after reduction in accordance with article 22; and
- (b) no account shall be taken of any increase under article 2 or 3 of Part 7 of the Compensation Scheme in an award to a serviceman.

Commutation: small pensions

20.—(1) Where the amount of any pension payable under this Part to a member who has attained state pensionable age, together with any pension to which he is entitled under article 37 and any increase under the Pensions (Increase) Act (Northern Ireland) 1971(a), does not exceed the commutation limit specified for the purposes of Part 1 of Schedule 29 to the Finance Act 2004 (lump sum rule)(b), the Board may commute the pension for a lump sum.

(2) The amount of a lump sum under this article is the actuarial equivalent of the pension, calculated from tables prepared by the Scheme Actuary.

(3) (a) Where a member is entitled to more than one pension under this Part, the pensions shall be treated as one for the purposes of this article.

(4) On the day on which a pension is commuted under this article, all other entitlements of the member under this Part are extinguished.

Allocation of pension

21.—(1) A firefighter member may, in accordance with paragraphs (6) and (7), but subject to—

(a) section 214 of the Finance Act 2004 and paragraphs (4) and (5); and

(b) where he is over 74, to paragraphs 16A to 16C of Schedule 28 to the Finance Act 2004(c),

allocate up to one-third of any pension to which he is entitled or prospectively entitled under this Part.

(2) The persons to whom a portion of a pension may be allocated are—

(a) the firefighter member's spouse, civil partner or nominated partner; or

(b) with the consent of the Board, any other person who is substantially dependent on the firefighter member.

(3) The Board may withhold consent under paragraph (2)(b) if it is not satisfied that the person is substantially dependent on the firefighter member.

(4) For the purposes of paragraph (1), the Board shall disregard any increase under article 2 or 3 of Part 7 of the Compensation Scheme (awards to, or on death of, servicemen) in—

(a) awards to—

(i) reservists; or

(ii) reservists who do not resume service with the Board; and

(b) awards paid under the Compensation Scheme.

(5) Where more than one portion of a particular pension is allocated under this article, the total of the allocated portions of that pension must not exceed the portion of that pension retained by the firefighter member.

(6) The firefighter member must—

(a) satisfy the Board that he is in good health and has a normal life expectancy; and

(b) give the Board written notice of allocation specifying—

(i) the portion;

(ii) the name and address of the intended beneficiary; and

(iii) the sex of the beneficiary.

(7) The notice of allocation, which may be sent by post, must be given—

(a) 1971 c.35 (N.I.).

(b) As to the "lump sum rule", see section 166 of the Finance Act 2004 (c.12). As to the commutation limit, see paragraph 7(4) of Part 1 of Schedule 29 to that Act.

(c) Paragraphs 16A to 16C were inserted by the Finance Act 2005 (c.7), Schedule 10, paragraph 28.

- (a) if the pension is a deferred pension, not earlier than two months before the pension comes into payment;
- (b) in any other case, not earlier than two months before the firefighter member's intended retirement.

(8) Where the Board is satisfied that—

- (a) the firefighter member has complied with paragraphs (6) and (7); and
- (b) the allocation proposed by him can be made without contravening section 214 of the Finance Act or, as the case may be, paragraphs 16A to 16C of Schedule 28 to that Act,

it shall, as soon as reasonably practicable after receiving the member's notice of allocation, notify him in writing that it has accepted his proposal.

(9) Where a proposal is accepted, the notice of allocation only takes effect—

- (a) if it refers to a deferred pension, where the pension comes into payment within two months of the date of receipt of the notice;
- (b) in any other case, where the firefighter member entitled to the pension retires within two months of the date of receipt of the notice.

(10) If a notice of allocation takes effect, it does so on the day on which the pension comes into payment or, as the case may be, on the day on which the member retires.

(11) Where—

- (a) a notice of allocation has taken effect;
- (b) the pension to which it relates has become payable; and
- (c) the beneficiary survives the pensioner,

the Board shall, from the date of the pensioner's death, pay the beneficiary a pension which is the actuarial equivalent of the allocated portion.

(12) Where more than one portion has been allocated under this article, a separate calculation shall be made under paragraph (13) in respect of each allocation.

(13) The actuarial equivalent of an allocated portion shall be calculated in accordance with tables prepared by the Scheme Actuary and in force when the notice of allocation takes effect; and in the calculation shall be made by reference to the ages of the pensioner and the beneficiary at the date on which the notice of allocation was given.

(14) Where—

- (a) a notice of allocation has taken effect; and
- (b) the beneficiary pre-deceases the pensioner,

the Board shall pay to the pensioner (distinguishing it from any other pension payable to him) the portion of pension that he had allocated ("the failed allocation pension").

(15) Where paragraph (14) applies, the pensioner is not entitled to recover from the Board the amount of any deduction made in respect of the failed allocation pension.

Pension debit members

22. Where a pension debit member is entitled to an award under this Part—

- (a) the award shall be calculated by reference to the member's rights under this Scheme as reduced by virtue of Article 28 of the 1999 Order and in accordance with such tables and other guidance as are provided for the purpose by the Scheme Actuary; and
- (b) articles 19 to 21 have effect accordingly.

PART 4
SURVIVORS' PENSIONS
CHAPTER 1
SPOUSES, CIVIL PARTNERS AND NOMINATED PARTNERS

Pensions for surviving spouses, civil partners and nominated partners

23.—(1) Subject to the following provisions of this article, a pension is payable on the death of—

- (a) a firefighter member who satisfies an eligibility condition and dies while employed by the Board; or
- (b) a former firefighter member who—
 - (i) has been awarded a deferred pension under article 13 which has not come into payment;
 - (ii) is in receipt of a deferred pension under that article; or
 - (iii) is in receipt of a pension under any of articles 11, 12, 14, 15 and 16,

to the deceased's spouse, civil partner or nominated partner for the remainder of their life (a "survivor's pension").

(2) Subject to paragraph (4), a survivor's pension is not payable if the deceased's spouse, civil partner or nominated partner (as the case may be) is convicted of the murder of the deceased.

(3) Subject to paragraph (5), where the deceased's spouse, civil partner or nominated partner (as the case may be) is convicted of the manslaughter of the deceased, the Board may, as it thinks fit, withhold the survivor's pension—

- (a) in whole or in part; and
- (b) permanently or temporarily.

(4) Where a conviction of the description mentioned in paragraph (2) is quashed on appeal—

- (a) a survivor's pension shall be payable from the day after that on which the deceased died; and
- (b) the Board shall, as soon as reasonably practicable after the conviction is quashed, pay the arrears of pension accrued.

(5) Where—

- (a) a conviction of the description mentioned in paragraph (3) is quashed on appeal, and
- (b) the Board has withheld any part of the survivor's pension,

the Board's decision under paragraph (3) shall be treated as revoked and it shall, as soon as reasonably practicable after the conviction is quashed, pay the arrears of pension accrued from the day after that on which the deceased died.

(6) Nothing in paragraph (4) or (5) shall affect the application of paragraph (2) or (3) if the person whose conviction is quashed is subsequently convicted of the murder or manslaughter of the deceased.

Amount of survivor's pension: general

24.—(1) Subject to article 25, the amount of a survivor's pension—

- (a) in respect of a firefighter member who satisfies an eligibility condition and dies while employed by the Board, is half of the higher tier ill-health pension to which he would have been entitled under article 12(3) had he retired with the benefit of an ill-health award;
- (b) in any other case, subject to paragraphs (2) and (3), is half of the pension to which the deceased was entitled.

(2) Where a portion of the deceased's pension had been commuted under article 19, the amount of the survivor's pension is half of the deceased's pension after commutation.

(3) Where the deceased had taken member-initiated early retirement, the amount of the survivor's pension is—

- (a) half of the amount of the pension which the deceased would have received if there had been no actuarial reduction; or
- (b) where a portion of the deceased's pension had been commuted, the amount found by dividing by 2 the product of A and B, where—

A is the amount which the deceased would have received if there had been no actuarial reduction; and

B is the fraction which represents the uncommuted portion of A expressed as a fraction of A.

Amount of survivor's pension: special cases

25.—(1) Subject to paragraph (2), where the person entitled to a survivor's pension under article 23 is more than twelve years younger than the deceased on the day on which he dies, a reduction of 2.5 per cent for each year by which the survivor's age exceeds, by more than twelve years, that of the deceased, shall be applied to the article 24 amount.

(2) Where the application of paragraph (1) would result in the payment of a survivor's pension of less than 50 per cent of the article 24 amount, the survivor's pension shall be 50 per cent of the article 24 amount.

(3) Where—

- (a) a pension debit member satisfies an eligibility condition and dies while employed by the Board;
- (b) a survivor's pension is payable under article 23 on his death; and
- (c) a pension sharing order or, in the case of a surviving civil partner, an order to similar effect, had effect on the day on which the pension debit member died,

the amount of the survivor's pension shall be ascertained with regard to the terms of that order.

(4) In paragraphs (1) and (2), "the article 24 amount" means the amount that would have been ascertained in accordance with article 24 if that article were not subject to paragraphs (1) and (3) of this article.

(5) For the purposes of paragraph (1), a part of a year shall be treated as a whole year.

Bereavement pension: survivors

26.—(1) Subject to paragraph (2), a person entitled to a survivor's pension under article 23 is also entitled, in respect of each of the 13 weeks following the death, to a bereavement pension of an amount equal to the difference between the weekly rate at which the survivor's pension is paid and—

- (a) if the deceased was a firefighter member when he died, the weekly rate of his pensionable pay when he died;
- (b) in any other case, the weekly rate of his pension or pensions (including any increase under the Pensions (Increase) Act (Northern Ireland) 1971) when he died.

(2) No entitlement arises under paragraph (1) where—

- (a) a contributions election had effect at the date of the deceased's death; or
- (b) the deceased was entitled to a deferred pension that had not come into payment.
- (c) Commutation of survivor's pension

27.—(1) A pension payable under this Chapter may, if the person entitled to it so requests, be commuted for a lump sum if, after commutation, the lump sum would be a trivial commutation

lump sum death benefit within the meaning of paragraph 20 of Schedule 29 to the Finance Act 2004.

(2) The amount of the lump sum shall be calculated in accordance with tables prepared by the Scheme Actuary and in force when the commutation takes effect.

(3) On the day on which a pension is commuted under this article, all other entitlements under this Scheme of the person entitled to the pension are extinguished to the extent that they derive from the deceased member.

CHAPTER 2 CHILDREN'S PENSIONS

Child's pension

28. Subject to article 29, a child is eligible for a child's pension if he is the child of—

- (a) a firefighter member who satisfies one of the eligibility conditions and dies while employed by the Board;
- (b) a pensioner member who is in receipt of a pension under this Scheme when he dies; or
- (c) a deferred member who is entitled to a deferred pension under this Scheme which is not in payment when he dies.

Child's pension: limitations and duration

29.—(1) Subject to paragraphs (2) and (3), a child is not eligible if—

- (a) he is 18 or older;
- (b) he has ceased full-time education and is in paid employment; or
- (c) he is married or has entered into a civil partnership.

(2) A child aged 18 but not more than 23 is eligible if he is in full-time education or attending a course of at least one year's duration.

(3) A child aged 18 or more is eligible if, when the scheme member dies, he is dependent on him by reason of permanent disability.

(4) Subject to paragraph (6), a child is not eligible if he is convicted of the murder of the deceased.

(5) Subject to paragraph (7), where the child is convicted of the manslaughter of the deceased, the Board may, as it thinks fit, withhold the child's pension—

- (a) in whole or in part; and
- (b) permanently or temporarily.

(6) Where a conviction of the description mentioned in paragraph (4) is quashed on appeal—

- (a) a child's pension shall be payable from the day after that on which the deceased died; and
- (b) the Board shall, as soon as reasonably practical after the conviction is quashed, pay the arrears of pension accrued.

(7) Where—

- (a) a conviction of the description mentioned in paragraph (5) is quashed on appeal; and
- (b) the Board has withheld any part of the child's pension,

the Board's decision under paragraph (5) shall be treated as revoked and it shall, as soon as reasonably practical after the conviction is quashed, pay the arrears of pension accrued from the day after that on which the deceased died.

(8) Nothing in paragraph (6) or (7) shall affect the application of paragraph (4) or (5) if the child whose conviction is quashed is subsequently convicted of the murder or manslaughter of the deceased.

(9) A child's pension ceases to be payable—

- (a) unless paragraph (2) or (3) applies, on his 18th birthday or the occurrence of an event referred to in paragraph (b) or (c), whichever first occurs;
- (b) where paragraph (2) applies, on his 23rd birthday or on the day on which his full-time education ceases, whichever first occurs;
- (c) where paragraph (3) applies, when the Board is satisfied—
 - (i) that the child is no longer permanently disabled; or
 - (ii) that the child's pension should not have been awarded.

(10) Unless paragraph (9)(c) applies, a pension for which a child is eligible as mentioned in paragraph (3) is payable for life.

Amount of child's pension

30.—(1) The amount payable by way of a child's pension under this Chapter is—

- (a) where the deceased died while employed as a firefighter member by the Board and there is one eligible child, one quarter of the ill-health pension to which the member would have been entitled under article 12 had he retired with the benefit of a higher tier ill-health award on the day after that on which he died;
- (b) where the deceased died while employed as a firefighter member by the Board and there is more than one eligible child, one half of the ill-health pension to which the member would have been entitled under article 12 had he retired with the benefit of a higher tier ill-health award on the day after that on which he died, divided by the number of eligible children;
- (c) in any other case, subject to paragraphs (2) and (3)—
 - (i) if there is one eligible child, one quarter of the pension to which the deceased was entitled on the day he died (whether or not, in the case of a deferred pension, the pension had come into payment);
 - (ii) if there is more than one eligible child, one half of the pension to which the deceased was entitled on the day he died (whether or not, in the case of a deferred pension, the pension had come into payment) divided by the number of eligible children.

(2) Where a portion of the deceased's pension had been commuted under article 19, the amount is—

- (a) if there is one eligible child, one quarter of the uncommuted portion;
- (b) if there is more than one eligible child, one half of the uncommuted portion, divided by the number of eligible children.

(3) Where the deceased had taken member-initiated early retirement, the amount is—

- (a) if there is one eligible child, one quarter of the amount of the pension which the deceased would have received if there had been no actuarial reduction;
- (b) if there is more than one eligible child, one half of the amount of the pension which the deceased would have received if there had been no actuarial reduction, divided by the number of eligible children;
- (c) where a portion of the deceased's pension had been commuted, and there is one eligible child, the amount found by dividing by 4 the product of A and B.
- (d) where a portion of the deceased's pension had been commuted, and there is more than one eligible child, the amount found by dividing the product of A and B by 2 and then dividing the resultant amount by the number of eligible children.

(4) In paragraph (3)(c) and (d)—

A is the amount which the deceased would have received if there had been no actuarial reduction; and

B is the fraction which represents the uncommuted portion of A expressed as a fraction of A.

Bereavement pension: children

31.—(1) Where—

- (a) no person is entitled to a survivor's pension under article 23; and
- (b) a child of the deceased is eligible for a child's pension ("eligible child"),

the Board shall, subject to paragraph (3), pay to the eligible child the amount referred to in paragraph (2), in respect of each of the 13 weeks following the deceased's death or, if shorter, each complete week of the period beginning on the day after the deceased's death and ending on the day on which the child's pension ceases to be payable.

(2) The amount is equal to that which the Board would have paid under paragraph (1) of article 26 (bereavement pension: survivors) had a survivor's pension been payable.

(3) Where there is more than one eligible child, the amount ascertained in accordance with paragraph (2) shall be divided equally between the eligible children; but—

- (a) a child's share shall cease to be paid to him as soon as his child's pension ceases to be payable; and
- (b) the share to which he would otherwise have been entitled shall be distributed equally among any remaining eligible children.

(4) Where a person in receipt of a survivor's bereavement pension dies before the end of the period for which that pension is payable ("the 13 week period"), the Board shall, subject to paragraph (6), pay to the eligible child (if any) a bereavement pension, in respect of each complete week of whichever is the shorter of—

- (a) the period beginning on the day after the survivor's death and ending at the end of the 13 week period; and
- (b) the period beginning on the day after the survivor's death and ending on the day on which the child's pension ceases to be payable.

(5) The amount of a bereavement pension under paragraph (4) is equal to that which the Board would have paid under paragraph (1) of article 26 had a survivor's bereavement pension been payable for the part of the 13 week period that falls after the survivor's death.

(6) Where there is more than one eligible child, the amount ascertained in accordance with paragraph (5) shall be divided equally between the eligible children; but—

- (a) a child's share shall cease to be paid to him as soon as his child's pension ceases to be payable; and
- (b) the share to which he would otherwise have been entitled shall be distributed equally among any remaining eligible children.

Pension for child where no survivor's pension paid

32.—(1) Where—

- (a) no person is entitled to a pension under article 23 as a survivor of the deceased; and
- (b) a child of the deceased is eligible for a child's pension under article 28,

the Board shall pay to the child, for so long as he is an eligible child, the amount that would have been paid by way of a survivor's pension under article 24 if, in paragraph (1) of that article, the words "Subject to article 25" had been omitted.

(2) Where there is more than one eligible child, the amount referred to in paragraph (1) shall be divided equally between the eligible children; but—

- (a) a child's share shall cease to be paid as soon as his child's pension ceases to be payable; and
- (b) the share to which he would otherwise have been entitled shall be distributed equally among any remaining children.

Child's pension in respect of pension debit member

33. Where a pension debit member dies leaving a child, the reduction in his rights under this Scheme by virtue of Article 28 of the 1999 Order shall be disregarded for the purposes of calculating any pension payable under this Chapter.

Commutation of child's pension

34.—(1) A pension payable under this Chapter may be commuted for a lump sum—

- (a) with the consent of the child's remaining parent or, if he has none, the child's guardian or, if he has none, the child himself if he is over 18; and
- (b) if, when commuted, the lump sum would be a trivial commutation lump sum death benefit within the meaning of paragraph 20 of Schedule 29 to the Finance Act 2004.

(2) The amount of the lump sum shall be calculated in accordance with tables prepared by the Scheme Actuary and in force when the commutation takes effect.

(3) On the day on which a pension is commuted under this article, all other entitlements of the child under this Scheme are extinguished to the extent that they derive from the deceased member.

PART 5

AWARDS ON DEATH

Death grant

35.—(1) On the death of a person while serving as a firefighter member, the Board shall pay a death grant of an amount ascertained in accordance with the following provisions of this article (whether or not a pension is payable under any other Part).

(2) Subject to paragraphs (3) to (5) and, where paragraph (8) applies, paragraph (9), the amount is three times that of the deceased's pensionable pay at the time of his death, expressed as an annual rate.

(3) Where—

- (a) the deceased was a whole-time firefighter member at the time of his death;
- (b) had he lived, the deceased would have been entitled to two pensions under article 17; and
- (c) the product of the following formula is greater than three times that of the deceased's pensionable pay at the time of his death, expressed as an annual rate—

$$3 \times \left(\frac{(A \times B)}{C} + \frac{(D \times E)}{C} \right), \text{ where}$$

A is the amount of the deceased's pensionable pay on his last day of service that would have been used in the calculation of his pension under article 17(3);

B is the deceased's pensionable service that would have been used in that calculation;

C is the deceased's qualifying service;

D is the deceased's pensionable service that would have been used in the calculation of his pension under article 17(4); and

E is the deceased's pensionable pay at the time of his death,

the amount of the death grant is that greater amount.

(4) Where the deceased was a part-time firefighter member at any time during his period of service (whether or not he was a whole-time firefighter member for part of that period), the amount of the death grant is the greater of—

- (a) three times his pensionable pay at the time of his death (which, if he was then employed part-time, would be calculated at the part-time rate), expressed as an annual rate; and

(b) the product of the formula—

$$\frac{F}{G} \times H \times 3, \text{ where}$$

F is the deceased's pensionable service;

G is the deceased's qualifying service; and

H is the pensionable pay that he would have received if, throughout his period of service, he had been a whole-time firefighter of equivalent role and length of service.

(5) Where the deceased—

(a) had become entitled to two pensions under article 17(1) at the time of his death; and

(b) had been a part-time firefighter member during the period of service in respect of which he was entitled to a second pension under article 17(4) (whether or not he had been a whole-time firefighter member for part of that period),

the amount is whichever is the greatest of—

(i) three times his pensionable pay at the time of his death, expressed as an annual rate;

(ii) the product of the formula specified in paragraph (3); and

(iii) the product of the formula specified in paragraph (4).

(6) Where the deceased was absent from duty without pay immediately before the day on which he died, his pensionable pay for the purposes of this article, subject to paragraph (8), shall be taken to be the amount, expressed as an annual rate, of the pay appropriate to his role and conditioned hours on the last occasion that he received it.

(7) In paragraph (6), "conditioned hours" means the number of hours that the deceased was required to work each week under the terms of his contract of employment.

(8) The pensionable pay of a person who—

(a) had made an election under article 58 (reckoning of unpaid period of absence), and

(b) dies before making any payment under paragraph (2) of that article,

shall be taken to be the amount, expressed as an annual rate, of the pensionable pay that would have been paid if the period of the person's absence from duty without pay had reckoned as pensionable service.

(9) Where paragraph (8) applies, the death grant shall be abated by the amount due to the Board under article 58(1).

(10) Subject to paragraph (11), the death grant may be paid, in whole or in part to such person or persons as the Board thinks fit.

(11) Subject to paragraph (12), the Board must not pay any part of a death grant to a person who is convicted of the murder or manslaughter of the deceased.

(12) Where a conviction of the description mentioned in paragraph (11) is quashed on appeal, the Board may, if it has not then paid the death grant in full, pay part of it to the person whose conviction is quashed.

Post-retirement death grant

36.—(1) Where—

(a) a pension under any of articles 11 to 13, 15 or 16 is in payment; and

(b) the pensioner dies within five years of the pension coming into payment,

the Board shall pay, by way of post retirement death grant, an amount equal to the difference between—

(i) the amount that it would have paid to the pensioner in that five year period, disregarding any increase in the pension that might have become payable after his death; and

- (ii) the amount paid to him before his death, including any lump sum that he may have received on commutation under article 19 or 20.

(2) Paragraphs (9) to (12) of article 35 shall apply in relation to a grant under this article as they apply in relation to a death grant.

PART 6

PENSION SHARING ON DIVORCE

Pension credit member's entitlement to pension

37.—(1) A pension credit member is entitled to a pension for life which becomes payable—

- (a) when he attains the age of 65; or
- (b) if it is later, when the pension sharing order under which he is entitled to the pension credit takes effect.

(2) The pension must be of such an amount that its actuarial value is equal to the member's pension credit, as calculated from tables prepared by the Scheme Actuary and in accordance with regulations made under paragraph 5(b) of Schedule 5 to the 1999 Order.

Commutation of whole of pension credit benefits

38.—(1) In the circumstances described in regulation 3(2)(b) of the Pension Sharing (Pension Credit Benefit) Regulations (Northern Ireland) 2000(a) (commutation of pension credit benefit: small pensions), the Board may with the agreement of the pension credit member, commute for a lump sum the whole of the pension to which a pension credit member is entitled under article 37 if, after commutation, the lump sum would be a trivial commutation lump sum death benefit within the meaning of paragraph 20 of Schedule 29 to the Finance Act 2004.

(2) The lump sum commuted under paragraph (1) is the actuarial equivalent of the pension at normal benefit age, calculated from tables prepared by the Scheme Actuary.

Commutation of part of pension credit benefits

39.—(1) Subject to paragraph (3), a pension credit member may commute for a lump sum a portion of the pension to which he is entitled or prospectively entitled to under article 37 (“the commuted portion”).

(2) The commuted portion must not exceed—

- (a) one quarter of the amount of the pension; or
- (b) the annual rate of the pension for the year that it is payable, disregarding—
 - (i) the reduction resulting from the application of this article; and
 - (ii) any reduction resulting from the application of another provision of this Scheme.

(3) Paragraph (1) does not apply if the pension debit member from whose rights the pension credit member's pension credit is derived has received a lump sum under article 19 (commutation: general) before the date on which the pension sharing order takes effect.

(4) A person who wishes to commute a portion of a pension under paragraph (1) must give the Board written confirmation of the commutation, not later than the day before the pension comes into payment and not earlier than four months before—

- (a) the date on which the person attains normal benefit age; or
- (b) the date on which the pension sharing order takes effect,

whichever is the later.

(a) S.I. 2000/1054, amended by S.I. 2000/2691.

- (5) Notice of commutation must specify the commuted portion.
- (6) A person's notice of commutation takes effect on the date on which the pension under article 37 becomes payable.
- (7) When a person's notice of commutation takes effect, the Board shall—
 - (a) reduce the pension by the commuted portion;
 - (b) calculate the lump sum by multiplying by 12 the amount of the person's pension represented by the commuted portion at the date of retirement; and
 - (c) pay him the lump sum as soon as reasonably practicable after—
 - (i) the date on which he attains normal benefit age; or
 - (ii) the date on which the pension sharing order takes effect,
 whichever is the later.

Application of general rules

40.—(1) The provisions of this Scheme specified in paragraph (2) apply to pension credit members and awards payable to or in respect of them; but except where other provision is made by this Part or a contrary intention appears—

- (a) this Scheme shall not apply to pension credit members and benefits payable to or in respect of them, except if and to the extent that they are also members of this Scheme in another capacity or they are also dependants of a member; and
 - (b) benefits payable to or in respect of a pension credit member may not be aggregated with benefits payable to or in respect of him—
 - (i) in any other capacity; or
 - (ii) as a pension credit member, deriving from any other pension debit member.
- (2) The provisions are—
- (a) article 46 (determinations and decisions by the Board);
 - (b) article 54 (withdrawal of pension on conviction of certain offences);
 - (c) article 95 (deduction of tax and lifetime allowance);
 - (d) article 96 (payment of awards);
 - (e) article 98 (payments for minors and persons incapable of managing their affairs); and
 - (f) article 99 (payment of awards: further supplementary provision).

Post-retirement death grant: pension credit members

41.—(1) Where—

- (a) a pension credit member dies within five years of the pension under article 37 coming into payment and before his 75th birthday; and
- (b) there is a difference between—
 - (i) the amount that is five times the pension, calculated at the annual rate effective on the day that it came into payment; and
 - (ii) the aggregate of—
 - (aa) the instalments of pension that have been paid; and
 - (bb) any lump sum received on commutation under article 39.

the Board shall pay a post-retirement death grant of the amount of that difference.

(2) The grant may be paid, in whole or in part, to such person or persons as the Board thinks fit.

(3) For the purposes of paragraph (1), any increases which, if the pension had continued in payment, would have been taken into account, shall be disregarded.

PART 7

RESERVISTS

Interpretation of Part

42. In this Part—

“the 1996 Act” means the Reserve Forces 1996(a);

“forces period” means the period during which a person undertakes relevant service in the reserve forces;

“qualifying injury” means an injury, received by a person in the performance of his duties as a firefighter, which is not wholly or mainly due to his own serious and culpable negligence or misconduct;

“relevant service in the reserve forces” means service in the forces specified in section 1(2) of the 1996 Act—

(a) in pursuance of a training obligation under Part 3 of that Act; or

(b) by virtue of a call out for permanent service or a recall under the Reserve Forces Act 1980(b) or Part 7 of the 1996 Act; and

“reservist” means a person who, immediately before a forces period, was a firefighter.

Continuity of employment

43.—(1) For the purposes of this Scheme, a reservist shall be treated as having continued, throughout his forces period—

(a) to be a firefighter; and

(b) subject to paragraph (2), for the purposes of his pensionable service under Part 10, employed by the Board.

(2) Where, before his forces period, a reservist had elected to purchase additional service under Chapter 2 of Part 11 by periodical contributions, his forces period is not reckonable as pensionable service unless the contributions payable in respect of it have been paid (whether during his forces period or, if the Board has agreed that contributions may be discontinued as mentioned in paragraph (2) of article 68 (discontinuance period not exceeding six months), in accordance with that paragraph).

(3) For the purposes of calculating the amount of a reservist’s pension contributions under article 63—

(a) the pay that he would have received from the Board during his forces period shall be regarded as his pay for that period (his “notional pay”); and

(b) in respect of any period during his forces period in which the aggregate of—

(i) his actual pay; and

(ii) any payments he receives under section 4 of the 1996 Act,

is less than his notional pay for that first-mentioned period, he shall be treated as having no pensionable pay (and, accordingly, no liability to make pension contributions).

Awards on death or permanent disablement

44.—(1) A reservist who, at the end of his forces period, is permanently disabled(c) for performing the duties of a firefighter by reason of an infirmity that—

(a) is unrelated to any injury received during his forces period; and

(a) 1996 c. 14

(b) 1980 c. 9.

(c) See article 3 of Part 1.

(b) is not a qualifying injury,
is entitled to an award under article 12 (award on ill-health retirement).

(2) Where a reservist dies—

- (a) during his forces period;
- (b) from the effects of an injury which rendered him incapable of performing the duties of a firefighter; or
- (c) while receiving a pension under this Scheme,

an award shall be payable in accordance with paragraph (3) and (4).

(3) Where the reservist's death—

- (a) is not the result of a qualifying injury; and—
- (b) occurs during his forces period,

a survivor's pension under Chapter 1 of Part 4 is payable to his spouse, civil partner or nominated partner (as the case may be) as if the reservist were a former firefighter member entitled as mentioned in article 23(1)(a).

(4) Where the reservist's death occurs during his forces period and is not the result of a qualifying injury—

- (a) a child's pension is payable under Chapter 2 of Part 4 as if—
 - (i) the reservist were a firefighter member who died while employed by the Board; and
 - (ii) paragraphs (1)(c), (2) and (3) of article 30 were omitted; and
- (b) a death grant is payable under article 35.

Reservists who do not resume employment with the Board

45. A reservist who does not resume employment with the Board within one month of the end of his forces period shall be treated as having left the Board's employment at the end of his forces period.

PART 8

DETERMINATION OF QUESTIONS AND APPEALS

Determinations and decisions of the Board

46.—(1) The question whether a person is entitled to any and if so what awards shall be determined in the first instance by the Board.

(2) Subject to paragraph (3), before deciding, for the purpose of determining that question or any other question arising under this Scheme—

- (a) whether a person has been disabled;
- (b) whether any disablement is likely to be permanent;
- (c) whether the person would be able to undertake regular employment;
- (d) whether a person has become incapable of performing the duties of a regular firefighter;
or
- (e) any other issue wholly or partly of a medical nature,

the Board shall obtain the written opinion of at least one qualified medical practitioner selected by it and the opinion of the qualified medical practitioner shall be binding on the Board.

(3) If by reason of the person's refusal or wilful or negligent failure to submit to medical examination by the practitioner or practitioners selected by it the Board is unable to obtain the opinion mentioned in paragraph (2), it may—

- (a) on such other medical evidence as it thinks fit; or
- (b) without medical evidence,

give such decision on the issue as it may choose to give.

(4) The Board shall, within fourteen days of making a decision or determination under this article;

- (a) give written notice of the decision or determination to the person concerned; and
- (b) in the case of a decision on an issue wholly or partly of a medical nature, unless paragraph (3) applies, supply him with a copy of the opinion obtained under paragraph (2).

Appeal against opinion on a medical issue

47.—(1) Where—

- (a) an opinion of the kind mentioned in article 46(2) has been obtained; and
- (b) within 14 days of his being notified of the Board's decision on the issue the person concerned applies to it for a copy of the opinion,

the Board shall supply him with a copy, together with a statement informing the person concerned that, if he wishes to appeal against the opinion, he must give the Board written notice of his grounds of appeal, together with his name and address, within 14 days of the date on which he is so supplied.

(2) If the person concerned is dissatisfied with the opinion which has been supplied to him under paragraph (1), he may appeal against it by giving notice to the Board in accordance with paragraph 1 of Schedule 2.

(3) The Board shall be bound by any decision on a medical issue duly given on an appeal under this article. A decision given under this article overrules that of the medical practitioner selected by the Board under article 46.

(4) In this article, "medical issue" means any issue referred to in article 46.

(5) Further provisions as to appeals under this article are contained in Schedule 2.

Appeals on other issues

48.—(1) Where a person claims that he is entitled to an award or to any payment in respect of an award and the Board—

- (a) does not admit the claim at all; or
- (b) does not admit the claim to its full extent,

the Board shall reconsider the case if he applies to it to do so.

(2) If he is dissatisfied with any determination given by the Board on reconsidering the case he may, within 2 months of being informed by the Board of the decision, appeal to the Department against the decision of the Board.

(3) The Department shall, unless it appears to it that the case is of such a nature that it can properly be determined without taking oral evidence, arrange for the hearing of the appeal, and at any such hearing the appellant shall be entitled to have an opportunity of submitting statements relating to the subject matter of the appeal, calling witnesses, giving evidence and making such representations as he desires, and shall be entitled to have the assistance in presenting his case of a person selected by himself.

(4) After considering in accordance with the foregoing provisions of this article all the circumstances of the case the Department shall either allow the claim to such extent as it thinks fit or dismiss the appeal.

(5) Nothing in this paragraph shall authorise the Department to:-

- (a) control or restrict the exercise of any discretion which is by this Scheme vested in the Board other than the discretion so vested by article 54; or

(b) reopen any medical issue decided on appeal under article 47.

(6) The decision of the Department on an appeal under paragraph (2) shall be final and binding on both parties.

PART 9

REVIEW, WITHDRAWAL AND FORFEITURE OF AWARDS

Review of ill-health pension

49.—(1) So long as a person—

(a) has been in receipt of an ill-health pension for less than 10 years; and

(b) is under state pensionable age,

the Board shall consider, at such intervals as it thinks proper, whether he has become capable—

(i) of performing any duty appropriate to the role from which he retired on grounds of ill-health; and

(ii) of undertaking regular employment.

(2) The Board shall, at such intervals as it thinks proper, consider in relation to a person whose deferred pension is being paid early by virtue of article 13(4) (early payment of deferred pension on permanent disablement), the same matters as they are required to consider in relation to persons of the description mentioned in paragraph (1).

Consequences of review

50.—(1) If, on such consideration as is mentioned in article 49(1), it is found that a person who is in receipt of a higher tier ill-health pension has become capable of undertaking regular employment, his entitlement to that pension shall cease with immediate effect.

(2) Subject to paragraph (3), a lower tier ill-health pension shall continue to be paid to a person who ceases to be entitled to a higher tier ill-health pension.

(3) If—

(a) on such consideration as is mentioned in article 49(1), it is found that a person who is in receipt of a lower tier ill-health pension has become capable of performing the duties appropriate to the role from which he retired on grounds of ill-health; and

(b) the Board make him an offer of employment in that role (“a paragraph (3)(b) offer”),

his entitlement to a lower tier ill-health pension shall cease, with immediate effect, whether or not he accepts or declines the offer.

(4) A person who accepts or declines a paragraph (3)(b) offer becomes entitled to a deferred pension under article 13.

(5) If, on such consideration as is mentioned in article 49(2), it is found that a person whose deferred pension is being paid early has become capable of undertaking regular employment his entitlement to early payment of the deferred pension shall cease with immediate effect.

Reduction of award in case of default

51.—(1) Subject to paragraph (2), where a person—

(a) is permanently disabled; and

(b) has brought about or contributed to his infirmity by his own serious and culpable negligence or misconduct,

the Board may reduce any ill-health award payable to him by it to not less than half its full amount.

(2) Where—

- (a) a pension has been reduced under paragraph (1); and
- (b) then the person attains the age of 60 the amount of the reduced pension is less than that of the notional deferred pension,

the amount of the reduced pension shall be increased to that of the notional deferred pension.

(3) The notional deferred pension is the deferred pension that would have been payable if the person had become entitled to one on the date of his ceasing to serve.

Withdrawal of pension during service as firefighter

52.—(1) Subject to paragraph (2), the Board may withdraw the whole or any part of the pension for any period during which the person entitled to it is again employed as a firefighter by the Board, or by any fire authority in England, Scotland or Wales.

(2) Where a person who is entitled to pensions under this Scheme in respect of both whole-time and retained or volunteer service—

- (a) resumes whole-time service, but does not resume retained or volunteer service; or
- (b) resumes retained or volunteer service, but does not resume whole-time service,

paragraph (1) applies only as regards the pension referable to his previous retained or volunteer service or, as the case may be, his whole-time service.

(3) The Board may abate a pension to which a person is entitled under Part 3 so long as he is employed (in whatever capacity) by it, or by any fire authority in England, Scotland or Wales.

(4) A person who—

- (a) is entitled to a pension under Part 3; and
- (b) accepts an offer of employment with a fire authority in England, Scotland or Wales (in whatever capacity),

shall, as soon as reasonably practicable after accepting that offer, give notice in writing to the Board, specifying the name of his employing fire authority.

Withdrawal of early payment of deferred pension

53. A person who, on dismissal from the Board's employment, becomes entitled to a deferred pension under article 13, shall not be entitled to early payment of the deferred pension before reaching the age of 65, unless the Board determines otherwise.

Withdrawal of pension on conviction of certain offences

54.—(1) Where paragraph (2) applies the Board may withdraw the pension in whole or in part and permanently or temporarily as it thinks fit.

(2) This paragraph applies where—

- (a) the pensioner has been convicted of an offence referred to in paragraph (3), and, in the case of a pension under Part 4, that the offence was committed after the death on which the pensioner became entitled to it; or
- (b) that the pensioner has been convicted of an offence, committed in connection with his employment by the Board, which is certified by a Minister of the Crown—
 - (i) as gravely injurious to the interests of the State; or
 - (ii) as likely to lead to serious loss of confidence in the public service.

(3) The offences mentioned in paragraph (2)(a) are—

- (a) an offence of treason; and

- (b) one or more offences under the Official Secrets Acts 1911 to 1989(a) for which the pensioner has been sentenced, on the same occasion—
 - (i) to a term of imprisonment of at least 10 years; or
 - (ii) to two or more consecutive terms amounting in aggregate to at least 10 years.
- (4) The Board may, at any time and to such extent as it thinks fit—
 - (a) apply for the benefit of any dependant of the pensioner; or
 - (b) restore to the pensioner,
 so much of any pension as has been withdrawn under this article.

PART 10

QUALIFYING SERVICE AND PENSIONABLE SERVICE

Qualifying service

55.—(1) For the purposes of this Scheme, the following periods are periods of a person’s qualifying service—

- (a) the period during which the person is a firefighter member of the scheme and for which he receives pensionable pay;
- (b) any period during which the person—
 - (i) is a firefighter member of the Scheme;
 - (ii) is on unpaid absence other than unauthorised absence;
 - (iii) has made an election under article 58(1); and
 - (iv) has paid such contributions as are required to be paid under that article in respect of that period;
- (c) in relation to the second pension under article 17 (entitlement to two pensions), the period of qualifying service taken into account in calculating the first pension under that article;
- (d) any period of additional service purchased under Part 11;
- (e) a period credited on acceptance of a transfer under Part 12;
- (f) where the person was a member the 2007 Scheme, the period of service used for determining his eligibility for an award under that Scheme;
- (g) any period of service that may be credited to the scheme member resulting from maternity, paternity or adoption leave.

Reckoning of pensionable service

56.—(1) Subject to paragraph (5), for the purposes of this Scheme, a person’s pensionable service accrues as pension contributions are paid, and consists of—

- (a) any period in respect of which he has paid pension contributions as a member of this Scheme;
- (b) any period of service taken into account for the purposes of an award under article 13 (deferred pension) or article 17 (entitlement to two pensions) where, on again taking up employment with the Board—
 - (i) he becomes a member of the Scheme; and
 - (ii) in accordance with article 14 (cancellation of deferred pension) the award under article 13 or article 17 is cancelled;

(a) 1911 c.28, 1920 c.75, 1939 c.121, 1989 c.6.

- (c) any period which he is entitled to reckon as pensionable service under article 58 (reckoning of unpaid period of absence) or article 59 (reckoning of maternity, paternity and adoption leave, etc) or under any of articles 65 to 69;
 - (d) any period of pensionable service taken into account for the purposes of an ill-health award under article 12 of this Scheme (award on ill-health retirement) other than any period included by way of enhancement, where—
 - (i) the award is cancelled under article 50; and
 - (ii) he remains a member of this Scheme;
 - (e) if he rejoins this Scheme, on again taking up employment with the Board, any period of service as a former member of the Scheme, in respect of which—
 - (i) no pension has been paid;
 - (ii) no refund of pension contributions has been made; and
 - (iii) no transfer value payment has been made; and
 - (f) any period of service credited to the Scheme as pensionable service on acceptance of a transfer into the Scheme under Part 12.
- (2) The pensionable service of a firefighter may not exceed 45 years.
- (3) A person may not—
- (a) buy additional service if that would increase his pensionable service to more than 40 years by normal retirement age; or
 - (b) transfer service into the Scheme if the aggregate of—
 - (i) that service;
 - (ii) his prospective service to normal retirement age; and
 - (iii) any service already accrued in the Scheme,
 would exceed 40 years by normal retirement age.
- (4) Any additional period of service purchased or in the process of being purchased under Part 11 is reckonable as pensionable service; but where only a portion of the pension contributions payable in respect of a period of additional service have been paid, only the equivalent portion of the period is reckonable as pensionable service.
- (5) Subject to paragraph (6), an additional period of service purchased or in the process of being processed under Part 11 is to be taken into account for the purposes of determining—
- (a) the amount of pension payable to the firefighter member or to his survivors; and
 - (b) the amount of service a firefighter member has or may accrue in the Scheme.
- (6) An additional period of service is not to be taken into account in assessing—
- (a) the amount of the higher tier ill-health pension included in a higher tier ill-health award under Part 3; or
 - (b) the amount of a death grant under Part 5.

Non-reckonable service

57. The following periods are not reckonable as pensionable service—
- (a) any period of unpaid leave, other than a period that is reckonable by virtue of article 58;
 - (b) any period of service that has been taken into account for the purposes of a pension under article 13 (deferred pension) that has not been cancelled under article 14;
 - (c) any period of absence resulting from sickness or injury attributable to the person's misconduct which the Board determine should be unpaid absence;
 - (d) any period of additional maternity, or adoption leave in respect of which the person entitled has declined to pay the required contributions; and

- (e) any period of service that is pensionable service by virtue of any other provision of this Part.

Reckoning of unpaid period of absence

58.—(1) A firefighter member may reckon as pensionable service all or part of a period of absence without pay if he elects to pay the pension contributions that he and the Board would have paid in accordance with Part 11 in respect of that period if it had been a period of absence with pay.

(2) An election under paragraph (1) is to be made by notice in writing given to the Board not later than six months from the end of the period of unpaid leave for which contributions are due.

(3) The Board may pay the employer's pension contributions that would otherwise fall to be paid by the employee as a result of his election.

(4) Contributions falling to be paid by the employee under this article must be paid within six months of the date on which the notice under paragraph (2) is given.

Reckoning of maternity, paternity and adoption leave, etc

59.—(1) A female firefighter member is entitled to reckon as pensionable service any period of—

- (a) paid maternity leave;
- (b) unpaid ordinary maternity leave; and
- (c) unpaid maternity leave in respect of which she has paid pension contributions in accordance with article 64.

(2) A firefighter member is entitled to reckon as pensionable service any period of—

- (a) paternity leave;
- (b) ordinary adoption leave;
- (c) paid additional adoption leave; and
- (d) unpaid additional adoption leave in respect of which he has paid pension contributions in accordance with article 64.

(3) Where there is a period of pensionable service both before and after a period of maternity or adoption leave in respect of which a person is entitled to pay pension contributions but does not do so, those periods shall be treated for the purposes of this Scheme as if they were continuous.

Calculation of pensionable service

60.—(1) Paragraphs (3) to (5) are subject to article 56(2) and (3).

(2) For the purposes of paragraphs (3) and (4), a period which comprises 365 completed days including 29th February shall be treated as a completed year.

(3) The pensionable service of a whole-time firefighter member shall be calculated in accordance with the formula—

$A + (B \div 365)$ years; where—

A is the number of completed years in the period; and

B is the number of completed days in any remaining part of a year.

(4) The pensionable service of a part-time regular firefighter member shall be calculated as a proportion of whole-time service by applying the formula—

$\frac{A}{B} \times C$; where—

B

A is the person's weekly contractual hours;

B is the weekly whole-time equivalent conditioned hours; and

C is the period of his part-time service in years (calculated in accordance with the formula in paragraph (1), and with regard to paragraph (2)).

(5) The pensionable service of a retained or volunteer firefighter member for any year or part of a year of his service shall be assessed as a proportion of whole-time service in accordance with the formula—

$$\frac{A}{B} \times 365, \text{ where}$$

A is the actual pensionable pay received in that year, and

B is his reference pay for that year.

(6) Where, for the purpose of calculating an award payable to or in respect of a firefighter member—

(a) it is necessary to determine his pensionable service reckonable by reason of service or employment before or after a particular date (“the material date”); and

(b) by virtue of the receipt by the Board of a transfer value payment, he is entitled to reckon a period of pensionable service (“the credited period”) by reason of employment for a period (“the previous employment period”) which includes that date,

the credited period counts as pensionable service reckonable by reason of employment before and after the material date in the same proportion as that between the parts of the previous employment period falling before and after the material date.

PART 11

PENSIONABLE PAY, PENSION CONTRIBUTIONS AND PURCHASE OF ADDITIONAL SERVICE

CHAPTER 1

PENSIONABLE PAY AND PENSION CONTRIBUTIONS

Pensionable pay

61.—(1) Subject to paragraph (3) and article 63(3) the pensionable pay of a firefighter member, is the aggregate of—

(a) his pay in relation to the performance of the duties of his role, other than any allowance or emoluments that are paid to him on a temporary basis; and

(b) his permanent emoluments (including, in the case of a retained firefighter, any retaining allowance).

(2) Where a firefighter member surrenders the right to receive part of his pensionable pay in exchange for the provision by the Board of any non-cash benefit, the amount forgone shall continue to be treated as part of his pensionable pay for all purposes of this Scheme (including determining pension contributions and calculating awards).

(3) A firefighter member’s pensionable pay in any tax year shall be taken not to include and amount in excess of the permitted maximum for that year.

(4) For the purposes of this article and article 62, the permitted maximum for a tax year is £108,600; but in relation to a tax year other than the tax year ending in 2007, this is subject to paragraph (5).

(5) Where the retail price index for the month of December in the tax year preceding the tax year in question is higher than it was for the previous December, the permitted maximum for the tax year in question shall be the amount arrived at—

- (a) by increasing the permitted maximum for the previous tax year by the same percentage as the percentage increase in the retail price index; and
- (b) if the result is not a multiple of £600, by rounding it up to the nearest amount which is a multiple of £600.

(6) The temporary allowances and emoluments referred to in (1)(a) shall include any allowances paid in relation to short-term non-contracted deputising, “acting up”, to a role higher than that to which the firefighter member is contracted, but shall not include any allowances paid in relation to contracted periods of temporary promotion to such roles.

Final pensionable pay

62.—(1) For the purpose of calculating pensions under this Scheme, the final pensionable pay of a firefighter member is the aggregate of pensionable pay received in respect of the 365 pensionable pay days ending with the relevant date, but this is subject to the following paragraphs.

(2) Subject to paragraph (3), “the relevant date” for the purposes of paragraph (1)—

- (a) in relation to a firefighter member who is entitled to two pensions under article 17, means—
 - (i) as regards the first pension, the date on which he was last paid at the higher rate (before changing roles and accepting a reduction in pensionable pay);
 - (ii) as regards the second pension the last day of his membership of the Scheme(a) or, if he dies in service, the date of his death;
- (b) in any other case, means the date of the firefighter member’s last day of pensionable service ,or if he dies in service, the date of his death.

(3) Where a firefighter member’s final pensionable pay would have been more than the amount calculated in accordance with paragraph (1) if the relevant date had occurred on the corresponding day in either of the two periods of 365 pensionable pay days preceding the first day of the period of 365 pensionable pay days ending with the relevant date (as defined in paragraph (2) without reference to this paragraph), that corresponding day in whichever of those periods produces the higher amount shall be treated as the relevant date for the purposes of paragraph (1).

(4) Subject to paragraph (7), where a firefighter member is entitled to count only part of a year as a period of membership of the Scheme (“the membership period”), his final pensionable pay is the amount of pensionable pay received in the membership period multiplied by 365 and divided by the number of days in the membership period.

(5) For the purposes of paragraph (1), any reduction of pensionable pay as a result of—

- (a) sick leave;
- (b) stoppage of pay by way of punishment;
- (c) ordinary maternity leave, ordinary adoption leave or paternity leave;
- (d) paid additional maternity leave or additional adoption leave;
- (e) unpaid periods in respect of which the firefighter member has paid pension contributions;
- or
- (f) unpaid additional maternity leave or additional adoption leave in respect of which pension contributions have been paid,

shall be disregarded.

(6) The final reference pay of a retained or volunteer firefighter shall be determined by reference to the equivalent whole-time rate of pay for a regular firefighter of similar service, role and experience.

(7) A firefighter member’s final pensionable pay in any tax year shall be taken not to include any amount in excess of the figure which is the permitted maximum for that year.

(a) See article 7

Pension contributions

63.—(1) A firefighter member shall pay pension contributions to the Board at the rate of 8.5% of his pensionable pay.

(2) The contributions payable under paragraph (1) may be deducted by the Board from each instalment of pensionable pay as it becomes due, but this is subject to any other method of payment that may be agreed between the Board and the member.

(3) For the purposes of this article, the pensionable pay of a firefighter member during a period of maternity, paternity or adoption leave shall be the pay that the person receives for that period including the value of any statutory maternity, paternity or adoption pay under the Social Security Contributions and Benefits (Northern Ireland) Act 1992(a).

Optional pension contributions during maternity and adoption leave

64.—(1) A firefighter member who—

- (a) is on maternity or adoption leave, which would not otherwise count as pensionable service under article 62; and
- (b) who, for the whole or part of the leave period, is not entitled to receive pay (including any statutory maternity or adoption pay under the Social Security Contributions and Benefits (Northern Ireland) Act 1992),

may elect to pay pension contributions in respect of that leave period.

(2) The contributions shall be calculated by applying article 63 to the pensionable pay (including any statutory maternity or adoption pay under the Social Security Contributions and Benefits (Northern Ireland) Act 1992) received immediately before the start of the unpaid period in question.

(3) Subject to paragraph (6), an election must be made by giving notice in writing to the Board before the expiry of the period of 30 days (or such longer period as the Board may allow) beginning with—

- (a) the day on which he returns to work; or
- (b) if he does not return to work after the leave period, the day he ceases to be employed by the Board.

(4) On receipt of the notice, the Board shall calculate the amount of contributions due and shall give notice in writing of that amount to the person concerned.

(5) Where the full amount of contributions due has not been paid within six months of the date of the notice given under paragraph (4), the person concerned shall be entitled to reckon as pensionable service such proportion of the period in respect of which contributions were due as the amount of contributions paid bears to the total amount of contributions due.

(6) Where a person dies before the end of the period of 30 days referred to in paragraph (3) without having given the required notice—

- (a) he shall be deemed to have given the notice; and
- (b) the Board—
 - (i) shall give to his personal representatives a statement of the amount of contributions due; and
 - (ii) may collect the contributions by deducting the amount of contributions due from the amount of the death grant payable under Part 5.

(a) 1992 c. 7.

CHAPTER 2
PURCHASE OF ADDITIONAL SERVICE

Purchase of additional service

65.—(1) A person who satisfies the conditions specified in paragraph (2) may, in accordance with this Chapter, purchase additional service for the purpose of securing increased benefits under this Scheme.

(2) The conditions are that the person—

- (a) is a firefighter member of the Scheme;
- (b) is not a pension credit member; and
- (c) would be entitled to reckon less than 40 years' pensionable service at normal retirement age.

(3) Additional service may be purchased as years or part of a year, but the aggregate of—

- (a) the period purchased;
- (b) the person's pensionable service up to the date of the purchase; and
- (c) his prospective service from that date to normal retirement age,

must not exceed 40 years.

(4) Additional service may be purchased—

- (a) by payment of a lump sum calculated in accordance with tables provided by the Scheme Actuary; or
- (b) subject to paragraphs (5) and (6), by deduction from the person's pensionable pay of periodical contributions of such percentage of that pay as shall be determined by the Scheme Actuary.

(5) The Board may permit a person who is a part-time regular firefighter to purchase additional service by periodical contributions at a rate that bears to the percentage determined by the Scheme Actuary the same proportion as his pensionable pay bears to the pensionable pay of a full-time regular firefighter serving in the same role.

(6) The Board may permit a retained or volunteer firefighter to purchase additional service by periodical contributions; and in such a case it shall calculate the amount of the contributions by applying the rate determined by the Scheme Actuary to the firefighter's reference pay.

Election to purchase additional service

66.—(1) An election to pay a lump sum—

- (a) must be made by notice in writing given to the Board not later than 12 months after the date on which the person last became employed by the Board as a firefighter; and
- (b) if the sum is not paid within three months after the date on which notice was given, shall be treated as not having been made.

(2) An election to pay periodical contributions must be made by notice in writing given to the Board at least two years before the person's normal retirement age, but no such election may be made where he and the Board have agreed that he will leave the scheme with an entitlement under any of articles 11, 12, 13, 15 and 16.

(3) Unless paragraph (1)(b) applies, an election under this article—

- (a) takes effect on the day on which the written notice is received by the Board; and
- (b) is irrevocable once the lump sum has been paid or, as the case may be, the first contribution has been deducted.

Duration of periodical contributions and premature cessation

67.—(1) Subject to paragraph (2), where a person has elected under article 66 to pay periodical contributions, they are payable from his next birthday and continue to be payable until normal retirement age.

(2) Paragraph (1) ceases to apply to a person who leaves his employment before normal retirement age—

- (a) where he is entitled to a pension under article 13 (deferred pension), on his last day of service;
- (b) where he becomes entitled to a second pension under article 17 (entitlement to two pensions), on his last day of service in the second period of employment;
- (c) on the date on which he ceases to be employed by the Board; and
- (d) on the date on which any contributions election takes effect.

(3) Where a sub-paragraph of paragraph (2) applies, the period of additional service purchased up to the date referred to in that sub-paragraph shall be treated as if it were the period ascertained in accordance with the formula—

$$A \times \frac{B}{C}, \text{ where}$$

A is the number of 60ths of additional service which he elected to purchase;

B is the period in respect of which contributions have been made; and

C is the period in respect of which contributions would, but for the cessation of his employment, have been made in accordance with the election.

(4) The period of additional service calculated in accordance with paragraph (3) shall be treated—

- (a) where the person qualifies for an ordinary pension (article 11), as part of the pensionable service on which the ordinary pension is calculated;
- (b) where he qualifies for a deferred pension (article 13), as part of the pensionable service on which the deferred pension is calculated;
- (c) where he takes member-initiated early retirement (article 15), as part of the award to which the actuarial reduction is applied;
- (d) where he takes Board-initiated early retirement (article 16), as part of his pensionable service;
- (e) where, on commencing a second period of employment with the Board, he becomes entitled to two pensions (article 17)—
 - (i) to the extent that it is attributable to the first period of employment, as part of the service on which the first pension is calculated; and
 - (ii) to the extent that it is attributable to the second period of employment, as part of the service on which the second pension is calculated.

(5) The period of additional service calculated in accordance with paragraph (3) shall not be treated as part of the pensionable service on which—

- (a) the amount of any higher tier ill-health pension is calculated under article 12; or
- (b) the notional ill-health pension where a survivor's pension is awarded on his death in service is calculated (article 23).

(6) Additional service purchased by the payment of periodical contributions shall accrue annually in accordance with the contributions paid.

Discontinuance and resumption of periodical contributions

68.—(1) The Board may—

- (a) at the request of a firefighter member who has elected to purchase additional service by the payment of periodical contributions; and
- (b) solely on the grounds of his financial circumstances,

agree to discontinue the making of deductions from his pay by way of such contributions.

(2) Where the firefighter member and the Board agree that deductions should be discontinued for a period not exceeding six months (“the discontinuance period”), the Board shall resume the making of deductions as soon as reasonably practicable after the end of that period or, at the request of the firefighter member, at such time before the end of that period as may be agreed.

(3) Where the firefighter member and the Board agree that deductions should be discontinued for a period of six months or more, the member’s election under article 66 shall be treated as cancelled with effect from the date of the agreement.

(4) The period of additional service purchased up to the date on which the last contribution was deducted shall be treated as if it were the period ascertained in accordance with the formula—

$$A \times \frac{B}{C}, \text{ where}$$

A is the number of 60ths of additional service which the firefighter member elected to purchase;

B is the period in respect of which contributions have been made; and

C is the period in respect of which contributions would have been made in accordance with the election (disregarding for this purpose any deemed cancellation under paragraph (3)).

(5) Subject to paragraph (6), where—

- (a) deductions were discontinued under paragraph (2); and
- (b) the firefighter member wishes to purchase additional service referable to the discontinuance period,

a deduction of an amount equal to the aggregate of the contributions that would otherwise have been made in respect of that period shall be made on the same occasion as the first resumed deduction is made.

(6) Where the firefighter member’s rate of pay at the end of the discontinuance period is less than at the beginning of that period, deductions in respect of the discontinuance period shall be made at the rate that would have applied if deductions had been made from his salary during that period.

Periodical contributions in respect of periods of unpaid service or absence

69.—(1) A firefighter member who—

- (a) has elected to purchase additional service in respect of a period of unpaid service or unpaid leave which falls within the period in respect of which contributions are payable in accordance with article 68(1); and
- (b) complies with the requirements of paragraph (2),

is entitled to require the Board to treat that period of unpaid service or unpaid leave as a period of pensionable service.

(2) The requirements of this paragraph are that the firefighter member must, not later than one month after the end of the period of unpaid service or leave (as the case may be), require the Board to deduct from his pay an amount equal to the aggregate of the contributions that would have been made in respect of that period if it had been a period of paid service.

(3) In paragraphs (1) and (2) “unpaid leave” means adoption leave, additional adoption leave, additional maternity leave or ordinary maternity leave or other absence without pay (including absence while participating in a strike).

(4) Contributions payable under paragraph (2) may be paid—

- (a) during the unpaid leave period; or
- (b) within six months of returning to duty after the end of that period; or
- (c) within such longer period as the Board may allow.

Effect of purchasing additional service by lump sum payment

70.—(1) Subject to paragraph (2), where a period of additional service has been purchased by way of a lump sum payment, the firefighter member’s pensionable service shall be increased by that period as regards any award payable to him under this Scheme.

(2) A period of additional service purchased by way of a lump sum payment shall not be treated as part of the pensionable service on which the amount of any higher tier ill-health pension is calculated under article 12.

(3) If the firefighter member takes member-initiated early retirement the period of additional service shall be part of the total to which the actuarial reduction is applied under article 15.

(4) If the firefighter member takes Board-initiated early retirement, the period of additional service shall be part of the pensionable service on which the pension is calculated under article 16.

PART 12

TRANSFERS INTO AND OUT OF THE SCHEME

CHAPTER 1

INTERPRETATION OF PART 12 AND ENTITLEMENT TO TRANSFER VALUE PAYMENT

Interpretation of Part 12

71. In this Part—

“guaranteed cash equivalent transfer value payment” means a payment of the description mentioned in article 74(2); and

“public sector transfer arrangements” means arrangements approved by HM Treasury as providing reciprocal arrangements for the payment and receipt of transfer values between this Scheme and other occupational pension schemes.

Entitlement to transfer value payment

72.—(1) This Part supplements the rights conferred by Chapter IV of Part IV of the 1993 Act (transfer values) (“Chapter IV”).

(2) A firefighter member or deferred member—

- (a) to whom Chapter IV applies(a); and
- (b) who is not a pension credit member or pensioner member of this Scheme,

is entitled to require the payment of a transfer value in respect of the rights to benefit that have accrued to or in respect of him under this Scheme.

(3) Subject to the provisions of this Part, any former firefighter member, other than a pensioner member, is entitled to require such a payment as if such rights had accrued to or in respect of him

(a) See section 89(1)(a) of the Pension Schemes (Northern Ireland) Act 1993 (c.49).

by reference to the pensionable service he is entitled to count under this Scheme (and references in this Part to his accrued rights or benefits are to be read accordingly).

(4) Paragraph (3) does not apply if the contributions the former member has paid during the period of service ending with his ceasing to be a firefighter member are refunded under article 18 and, where applicable, in accordance with Chapter V of Part IV of the 1993 Act.

(5) Paragraphs (2) and (3) do not apply to rights that are directly attributable to a pension credit.

CHAPTER 2

TRANSFERS OUT OF THE SCHEME

Applications for statements of entitlement

73.—(1) A member who requires a transfer value payment to be made must apply in writing to the Board for a statement of the amount of the cash equivalent of the member's accrued benefits under the Scheme at the guarantee date ("a statement of entitlement").

(2) In this Chapter, "the guarantee date" means any date that—

- (a) falls within the required period;
- (b) is chosen by the Board;
- (c) is specified in the statement of entitlement; and
- (d) is within the period of thirty days ending with the date on which the member is provided with the statement of entitlement.

(3) In counting the period of thirty days referred to in paragraph (2)(d), Saturdays, Sundays, Christmas Day, New Year's Day and Good Friday are excluded.

(4) In paragraph (2) "the required period" means—

- (a) the period of three months beginning with the date of the member's application for a statement of entitlement; or
- (b) such longer period (not exceeding six months beginning with that date) as may reasonably be required if, for reasons beyond the control of the Board, the requisite information cannot be obtained to calculate the amount of the cash equivalent.

(5) The member may withdraw the application for a statement of entitlement by notice in writing at any time before the statement is provided.

(6) Where, in any period of twelve consecutive months, a member—

- (a) has made, and not withdrawn, two applications for a statement of entitlement; and
- (b) makes a third (or subsequent) application;

the Board shall not be required to entertain the application if it is not accompanied by a payment of such amount as the Board may reasonably require.

Applications for transfer value payments

74.—(1) A member who has applied for and received a statement of entitlement under article 73 may apply in writing to the Board for a transfer value payment to be made.

(2) On making such an application a member becomes entitled to payment of an amount equal, or amounts equal in aggregate, to the amount specified in the statement of entitlement (or such other amount as may be payable by virtue of paragraph (9)).

(3) An application under paragraph (1) must be made before the end of the period of three months beginning with the guarantee date, and the payment must be made no later than—

- (a) six months after that date; or
- (b) if it is earlier, the date on which the member reaches normal benefit age.

(4) The application must specify the pension scheme or other arrangement to which the payment or payments should be applied.

(5) Subject to paragraph (6), an application by a person who is entitled to apply for a guaranteed cash equivalent transfer value payment under Chapter IV of Part IV of the 1993 Act may only be made before—

- (a) the beginning of the period of one year ending with the date on which the member reaches normal benefit age; or
- (b) the end of the period of six months beginning with the day after that on which the member's pensionable service ends, provided that service ends at least one year before normal benefit age,

whichever is the later.

(6) An application for a transfer value payment to be made under public sector transfer arrangements may only be made—

- (a) before the first anniversary of the day on which the member becomes eligible to be an active member of the scheme to which the transfer is to be made; and
- (b) before the member reaches normal benefit age.

(7) An application by a person who is not entitled to apply for a guaranteed cash equivalent transfer value payment under Chapter IV of Part IV of the 1993 Act may only be made—

- (a) on or before the first anniversary of the day on which the applicant ceases to be an active member of this Scheme; and
- (b) before the member reaches normal benefit age.

(8) An application under this article may be withdrawn by notice in writing, unless an agreement for the application of the whole or part of the guaranteed cash equivalent transfer value payment has been entered into with a third party before the notice is given.

(9) If the payment is made later than six months after the guarantee date, the amount of the payment to which the member is entitled must be increased by—

- (a) the amount by which the amount specified in the statement of entitlement falls short of the amount it would have been if the guarantee date had been the date on which the payment is made; or
- (b) if it is greater and there was no reasonable excuse for the delay in payment, interest on the amount specified in the statement of entitlement, calculated on a daily basis over the period from the guarantee date to the date when the payment is made at an annual rate of one per cent above base rate.

(10) In this article—

“base rate” means the base rate for the time being quoted by the reference banks or, where there is for the time being more than one such base rate, the rate which, when the base rate quoted by each bank is ranked in descending order of sequence of seven, is fourth in the sequence; and

“the reference banks” means the seven largest persons for the time being who—

- (a) have permission under Part IV of the Financial Services and Markets Act 2000 (permission to carry on regulated activities)(a) to accept deposits;
- (b) are incorporated in the United Kingdom and carrying on there a regulated activity of accepting deposits; and
- (c) quote a base rate in sterling,

and for the purpose of this definition the size of a person at any time is to be determined by reference to the gross assets denominated in sterling of that person, together with any subsidiary (as defined in Article 4 of the Companies (Northern Ireland) Order 1986

(a) 2000 c.8, to which there are amendments not relevant to this Order.

(“subsidiary”, “holding company” and “wholly owned subsidiary”))(a), as shown in the audited end-of-year accounts last published before that time.

Ways in which transfer value payments may be applied

75.—(1) A member who is entitled to a guaranteed cash equivalent transfer value payment under Chapter IV of Part IV of the 1993 Act may only require the Board to apply the guaranteed cash equivalent transfer value payment in one or more of the ways permitted under section 91 of that Act.

(2) A member who is not entitled to a guaranteed cash equivalent transfer value payment under Chapter IV of Part IV of the 1993 Act may only require the Board to apply the guaranteed cash equivalent transfer value payment in one of the ways permitted under section 91 of that Act.

(3) The whole of the guaranteed cash equivalent transfer value payment must be applied, unless paragraph (3) applies.

(4) The benefits attributable to—

- (a) the member’s accrued rights to a guaranteed minimum pension; or
- (b) the member’s accrued rights attributable to service in contracted-out employment on or after 6th April 1997,

may be excluded from the guaranteed cash equivalent transfer value payment if section 92(2) of the 1993 Act applies (trustees or managers of certain receiving schemes or arrangements able and willing to accept a transfer payment only in respect of the member’s other rights).

(5) A transfer payment may only be made to—

- (a) a pension scheme that is registered under Chapter 2 of Part 4 of the Finance Act 2004; or
- (b) an arrangement that is a qualifying recognised overseas pension scheme for the purposes of that Part(b).

Calculating amounts of transfer value payments

76.—(1) Subject to paragraph (3), the amount of the guaranteed cash equivalent transfer value payment is to be calculated in accordance with guidance and tables provided by the Scheme Actuary for use at the guarantee date.

(2) In preparing those tables the Scheme Actuary must use such factors as he considers appropriate, having regard to section 93 of the 1993 Act and regulations under that Act (whether or not the payment is in respect of a person entitled to a guaranteed cash equivalent transfer value payment under that Act).

(3) If the amount calculated in accordance with paragraph (1) is less than the minimum transfer value, the amount of the guaranteed cash equivalent transfer value payment is to be equal to that value instead.

(4) In paragraph (3) “the minimum transfer value”, in relation to any person, means the sum of—

- (a) any transfer value payments that have been made to the Scheme in respect of him; and
- (b) any contributions paid by him under article 63.

(5) If the transfer value payment is made under public sector transfer arrangements, the amount of the transfer value payment is calculated—

- (a) in accordance with those arrangements rather than paragraphs (1) to (3);and
- (b) by reference to the guidance and tables provided by the Scheme Actuary for the purposes of this paragraph that are in use on the date used for the calculation.

(a) S.I. 1986/1032 (N.I. 6) Article 4 was substituted by Article 62 of the Companies (No 2) (Northern Ireland) Order 1990 S.I. 1990/1504 (N. I. 10).

(b) See section 169(2) of that Act

Effect of transfers-out

77. Where a transfer value payment is made under this Chapter in respect of a person's rights under this Scheme, those rights are extinguished.

CHAPTER 3

TRANSFERS INTO THE SCHEME

Applications for acceptance of transfer value payment from another scheme

78.—(1) Subject to the provisions of this Part, a firefighter member may apply for a transfer value payment in respect of some or all of the rights that have accrued to or in respect of him under—

- (a) another occupational pension scheme registered under Chapter 2 of Part 4 of the Finance Act 2004;
- (b) an arrangement that is a qualifying recognised overseas pension scheme for the purposes of that Part(a); or
- (c) a personal pension scheme,

to be accepted by the Board for the purposes of this Scheme.

(2) Paragraph (1) does not apply to rights that are directly referable to a pension credit.

(3) Paragraph (1) does not apply if the member is on unpaid absence that does not count as pensionable service.

Procedure for applications under article 78

79.—(1) An application under article 78—

- (a) must be made in writing;
- (b) must specify the scheme or arrangement from which the transfer value payment is to be made and the anticipated amount of the payment; and
- (c) subject to paragraphs (2), must be made—
 - (i) before the beginning of the period of one year ending with the date on which the member reaches normal retirement age; and
 - (ii) in the case of a transfer value payment from a non-occupational pension scheme, during the period of one year beginning with the day on which the member becomes eligible to be a firefighter member, or such longer period as the Board may allow.

(2) In the case of a transfer value payment to be made under public sector transfer arrangements, the application under article 78—

- (a) must be made during the period of one year beginning with the day on which the member becomes eligible to be a firefighter member, or such longer period as the Board may allow; and
- (b) must be received by the Board before the applicant reaches the age which is the normal pension age under the scheme by which the transfer value payment is to be made.

Acceptance of transfer value payments

80.—(1) Subject to paragraph (3) and paragraphs (2) and (3) of article 56 (reckoning of pensionable service), where an application is duly made by a member under article 78, the Board may accept the transfer value payment.

(a) See section 169(2) of the Finance Act 2004 (c.12).

(2) If the Board accepts the payment, the member is entitled to count the period calculated in accordance with article 81 as pensionable service for the purposes of this Scheme.

(3) The Board may not accept a transfer value payment if—

- (a) it would be paid otherwise than under public sector transfer arrangements;
- (b) it would be applied in whole or in part in respect of the member's or the member's spouse's or civil partner's entitlement to a guaranteed minimum pension; and
- (c) it is less than the amount required for that purpose, as calculated in accordance with guidance and tables prepared by the Scheme Actuary for the purposes of this paragraph.

Calculation of transferred-in pensionable service

81.—(1) Subject to paragraph (3), the period of pensionable service that a member is entitled to count under article 80(2) shall be calculated as at the date on which the transfer value payment is received by the Board and in accordance with guidance and tables provided by the Scheme Actuary for the purpose.

(2) For the purposes of that calculation, the member's pensionable earnings are to be taken to be the amount of those earnings as at—

- (a) two months after the application under article 78 is received; or
- (b) the date on which the transfer value payment is received,

whichever is the later; and, in a case where the transfer value payment is received earlier than two months after that application is received, any necessary adjustment shall be made to that calculation to reflect any change in the amount of those earnings.

(3) If the transfer payment is accepted under public sector transfer arrangements, the period that the member is entitled to count shall be calculated—

- (a) subject to paragraph (4), in accordance with those arrangements; and
- (b) by reference to the guidance and tables provided by the Scheme Actuary for the purposes of this paragraph, that are in use on the date that is used by the transferring scheme for calculating the transfer value payment.

(4) If the period that the member would be entitled to count would be greater if the transfer value payment were accepted otherwise than under public sector transfer arrangements—

- (a) those arrangements shall not apply to the extent that they provide for the calculation of the period, and
- (b) paragraph (1) shall apply instead.

CHAPTER 4

MIS-SOLD PENSIONS AND RESTITUTION PAYMENTS

Interpretation of Chapter 4

82.—(1) In this Chapter—

“calculated amount” means the amount which, in accordance with article 84, the Board calculates would need to be made as a restitution payment in respect of the firefighter concerned;

“methods and assumptions” means the methods and assumptions notified by the Scheme Actuary for the calculation of cash equivalent values for occupational pension schemes; and

“relevant period”, in relation to a firefighter, means the total of any periods of opted-out and, where appropriate, transferred-out service.

(2) For the purposes of this Chapter—

- (a) a person shall be taken to have opted out if he had made a contributions election and for any period during which he was a firefighter he instead made contributions to a personal pension scheme; and

- (b) a person shall be taken to have transferred out if the Board has made a transfer value payment in respect of him under Chapter 2 of this Part to the administrator of a personal pension scheme.

Mis-sold pensions

83.—(1) This article applies to a firefighter who—

- (a) has opted out or transferred out, or both; and
- (b) has suffered actionable loss as a result of a contravention which is actionable under section 62 of the Financial Services Act 1986 or section 150 of the Financial Services and Markets Act 2000(a) (actions for damages in respect of contraventions of rules etc made under the Act).

(2) A firefighter to whom this article applies who has given notice—

- (a) under article 9 cancelling his contributions election; or
- (b) under article 59(7) of the 2007 Scheme (cancellation of election not to pay contributions),

may give written notice to the Board that he wishes it to accept a transfer value payment in order to create or restore his pensionable service.

(3) Paragraph (4) or (5) applies where, within twelve months of the date of a notice given under paragraph (2) or such longer period as the Board may allow, the Board has accepted a transfer value payment in relation to the firefighter who gave the notice (whether or not he has ceased to be a firefighter after the date of the notice) not exceeding the calculated amount.

(4) Where the amount of the transfer value payment is equal to the calculated amount—

- (a) the whole of the relevant period shall be treated as pensionable service; and
- (b) for the purposes of calculating any award under this Scheme, the firefighter who gave the notice shall be treated as having made pension contributions throughout that period.

(5) Where the amount of the transfer value payment is less than the calculated amount—

- (a) the Board shall, in accordance with the methods and assumptions, calculate the period of pensionable service that the transfer value payment represents, and treat that period as pensionable service;
- (b) for the purposes of calculating any award under this Scheme, the firefighter who gave the notice shall be treated as having made pension contributions throughout that period; and
- (c) that period shall be treated as a continuous period with the same final date as the final date of the relevant period.

(6) Where a firefighter who is being credited under paragraph (4) or (5) with a period of pensionable service has previously been credited, in respect of the relevant period, with—

- (a) an additional period of pensionable service calculated in accordance with this Part, or
- (b) an additional period of reckonable service calculated in accordance with Part 4 of Schedule 6 to the 2007 Scheme (amount of transfer value),

the Board may adjust the amount of the transfer value payment that it accepts under this article to ensure that no part of the additional period of pensionable or reckonable service that was previously credited is included in the period of pensionable service credited under paragraph (4) or (5).

Calculation of amount of restitution payment

84.—(1) The Board shall, in accordance with paragraph (2), calculate the restitution payment that would need to be made to it in respect of a person to whom article 83 applies to create or restore his position to what it would have been if he had not opted-out or, where relevant, transferred-out.

(a) 2000 c.8, to which there are amendments not relevant to this Order.

- (2) The restitution payment is an amount equal to the sum of—
- (a) the capitalised value at the material date, determined in accordance with the methods and assumptions, which would produce a service credit equal to his total period of opted-out service, including the capitalised value of any rights under the Pensions (Increase) Act (Northern Ireland) 1971(a) and the Pensions (Increase) (Northern Ireland) Order 1974(b); and
 - (b) in the case of a firefighter who also transferred out, the greater of—
 - (i) any transfer value paid by the Board to the administrator of a personal pension scheme in respect of the firefighter’s transferred-out service under Chapter 2 of this Part, increased by interest calculated at a rate approved by the Scheme Actuary over the period from the date of payment of that transfer value to the assumed calculation date; and
 - (ii) the cash equivalent transfer value that would be payable by the Board in respect of that transferred-out service if it were to pay a cash equivalent transfer value in respect of that service determined in accordance with the methods and assumptions applicable immediately after the assumed calculation date.
- (3) In this article—
- “assumed calculation date” means the date on which it is assumed, for the purpose of calculating a restitution payment, that a transfer value will be paid to the Board; and

Payments and transfers into Firefighters' Pension Fund

86.—(1) The Board shall make transfers into its FPF in accordance with the following paragraphs.

(2) In each financial year beginning with the financial year ending on 31st March 2007, the Board shall, by transfer to its FPF from any other fund maintained by it, make a contribution towards the discharge of its future liability for the payment of pensions under this Scheme.

(3) The amount of the contribution under paragraph (2) shall be such percentage of the Board's estimate of the aggregate of the pensionable pay, as regards the year in respect of which the contribution is made, of those firefighters employed by the Board who are required to make pension contributions in that year, as shall have been determined and notified to it for that year by the Department.

(4) In respect of each firefighter employed by the Board who retires with an entitlement to immediate payment of a higher tier ill-health pension under article 12, the Board shall transfer into the FPF such amount as shall be determined and notified to it by the Department as the higher tier ill-health charge applicable in respect of that pension.

(5) In respect of each firefighter employed by the Board who retires—

- (a) with an entitlement to immediate payment of a lower tier ill-health pension under article 12; and
- (b) with no entitlement to a higher tier ill-health pension,

the Board shall transfer into the FPF such amount as shall be determined and notified to it by the Department as the lower tier ill-health charge applicable in respect of that pension.

(6) The amount to be transferred under paragraph (2) or (3) may be transferred in one complete payment or in three equal instalments.

(7) If the amount to be transferred under paragraph (3) or (4) is to be transferred in one complete payment, the payment shall be transferred—

- (a) on the date on which the employee retires; or
- (b) if the employee retired before the date on which this Order comes into operation, as soon as reasonably practicable after the date on which it comes into operation.

(8) If the amount to be transferred under paragraph (3) or (4) is to be paid in instalments—

- (c) the third instalment shall be transferred on 1st April in the financial year that follows the financial year in which the second instalment was transferred.

(9) Where a pension is paid under article 16 (Board-initiated early retirement), an amount equal to the difference between the amount of the pension paid and the amount that would have been

paid had a pension been payable from the same date under article 15 (member-initiated early retirement), shall be transferred to the FPF from any other fund maintained by the Board.

Transfers from Firefighters' Pension Fund

87.—(1) Where, in consequence of a review under article 49—

- (b) a lower tier ill-health pension continues to be paid,

the amount referred to in paragraph (2) shall be transferred from the FPF to any other fund maintained by the Board.

(2) The amount is an amount equal to the difference between—

- (a) the aggregate of such instalments of the higher tier ill-health charge as have been transferred in accordance with article 86; and
- (b) the aggregate amount that would have been transferred if—
 - (i) the lower tier ill-health charge had always applied in respect of the pension; and
 - (ii) instalments of that charge had been transferred on the dates on which instalments of the higher tier ill-health charge were transferred.

(3) For the purposes of ascertaining the amount to be transferred in accordance with paragraph (2), the Board shall request the Department to determine the amount of the notional lower tier ill-health charge in respect of the pension concerned.

(4) Where a person declines an offer of employment under article 50(3)(b) and does not again take up employment with the Board—

- (a) paragraph (2) or, as the case may be, paragraph (3) of article 86 shall be disregarded in his case (to the extent that it remains to be complied with); and
- (b) the Board—
 - (i) shall not make any transfer into the FPF in respect of him as regards any time after the date on which it receives notice that the offer has been rejected; and
 - (ii) shall transfer from the FPF to any other fund maintained by it an amount equal to the aggregate of the instalments that have been transferred to the FPF in respect of the pension that has been terminated.

(5) Where—

- (a) a higher tier ill-health pension or a lower tier ill-health pension is wholly and permanently withdrawn under Part 9; and
- (b) the former recipient of that pension does not again take up employment with the Board,

paragraph (2) or, as the case may be, paragraph (3) of article 86 shall be disregarded in his case (to the extent that it remains to be complied with); and the Board shall transfer from the FPF to any other fund maintained by it an amount equal to the aggregate of the instalments that have been transferred to the FPF in respect of the pension that has been cancelled.

(b) article 81 shall apply as if, for paragraph (2), there were substituted—

“(2) For the purposes of that calculation, the member's pensionable earnings are to be taken to be the amount of those earnings as at the date on which the transfer value payment is received.”.

Options for pre-6th April 2006 members of the 2007 Scheme

14.—(1) Sub-paragraph (2) applies in relation to each person who—

(b) was not at any time before the coming into operation of this Order in receipt of a pension or entitled to a deferred pension under that Scheme.

(3) A person's notice under sub-paragraph (1)(b) must state whether he wishes—

(i) to retain his accrued rights in the 2007 Scheme; or

(ii) to transfer those rights, calculated in accordance with paragraph 3, to the new scheme.

(4) The Board must not accept a person's election to transfer his accrued rights if the aggregate of—

would exceed 45 years by the time of his 60th birthday.

(5) Where the Board accepts a person's election to transfer his accrued rights, the transfer shall have effect from 6th April 2006; and the Board shall—

- (a) within 28 days after the date on which it receives his notice under sub-paragraph (2)(b), make all the arrangements necessary to give effect to that election; and

(8) Where a person in relation to whom sub-paragraph (2) applies had elected under article 62 of the 2007 Scheme to purchase increased benefits—

- (a) his election under that article shall, notwithstanding paragraph (5)(c) of that article, be treated as revoked with effect from 6th April 2006;
- (b) nothing in paragraph (a) shall affect his entitlement to make an election under article 66 of the new Scheme (election to purchase additional service); and
- (c) for the purposes of article 65(4), the calculation under sub-paragraph (a) or, as the case may be, the determination under sub-paragraph (b), shall be made on the basis of his age at the time of his election under article 62 of the 2007 Scheme.

Calculation of transferred-in pensionable service

15. For the purposes of calculating the pensionable service that a person is treated as having accrued in the new scheme on the transfer of his accrued rights under the 2007 Scheme, the Board shall—

EXPLANATORY NOTE

(This note is not part of the Order)

This Order makes provision for a new pension scheme for and in respect of firefighters employed by the Northern Ireland Fire and Rescue Service (“the new Scheme”). The new Scheme has effect from 6th April 2006 and replaces the Firefighters’ Pension Scheme set out in the Annex to the Firefighters’ Pension Scheme Order 2007 (“the 2007 Scheme”). Power to give the Scheme retrospective effect is conferred by Article 10(4) of the Fire Services (Northern Ireland) Order 1984, as continued by the Fire and Rescue Services (Northern Ireland) Order 2006.

Part 1 of the new Scheme contains general introductory provisions.

The new Scheme is available to all firefighters employed by the Northern Ireland Fire and Rescue Service, whether whole-time or part-time and whether regular, retained or volunteer, who satisfy one of the eligibility conditions set out in Part 2 of the Scheme. Part 2 also deals with membership of the Scheme.

Part 3 makes provision for the payment of pensions to firefighter members. It introduces Schedule 1, which provides for the calculation of ill-health pensions.

Part 4 deals, in Chapter 1, with pensions for surviving spouses, civil partners and nominated partners and, in Chapter 2, with pensions for children.

Part 5 provides for the payment of death grants and post-retirement death grants.

Part 6 deals with pension-sharing on divorce.

Part 7 contains provisions relevant to firefighters who serve in the armed forces.

Part 8, to which Schedule 2 to the Scheme is relevant, provides for the determination of questions and appeals arising under the Scheme.

Part 9 deals with the review, withdrawal and forfeiture of awards.

Part 10 contains provisions about qualifying service and pensionable service.

Part 11 deals with pensionable pay, pension contributions and the purchase of additional service.

Part 12 provides for transfers into and out of the Scheme.

Part 13 deals with the accounting aspects of the Scheme, including the operation of the Firefighters’ Pension Fund for that purpose.

Part 14 provides for the payment of awards.

Part 15 contains miscellaneous provisions, including provisions about annual benefit statements.

The new Scheme differs from the 2007 Scheme in the following major respects:

- (c) it is open to retained and volunteer firefighters as well as regular firefighters;
- (d) pensions can be paid to a nominated partner as well as a spouse or civil partner;
- (e) the normal retirement age will be 60; under the 2007 Scheme it is 55 (with some exceptions);
- (f) the age at which deferred pensions will normally be paid will be 65; under the 2007 Scheme it is 60;
- (g) firefighter members may request early payment of pension from age 55, subject to actuarial reduction;
- (h) the Board may for economical, effective and efficient management reasons pay pensions from age 55 without actuarial reduction; under the 2007 Scheme, payment could be made

in similar circumstances from age 50 provided that the firefighter had at least 25 years' pensionable service;

- (i) pension will accrue at 1/60th per year. A firefighter member will be able to accrue more than 40 years' pensionable service;
- (j) a firefighter member will be able to commute up to a quarter of his pension for a lump sum [and there will be a single commutation factor regardless of age or sex with each £1 of pension commuted providing a lump sum of £12];
- (k) enhancements for the higher tier ill-health retirement pension will be based on a formula where accrued pensionable service is increased by 2% and then multiplied by the amount of prospective service to the normal retirement age. This will ensure that enhancements are more evenly graduated than under the 2007 Scheme;
- (l) where a firefighter member is subject to a reduction in pay because of a change in role he will qualify for a split pension. At the point of reduction the first pension will be closed and therefore based on the higher pay rate and a new pension started. When the member retires both pensions will be payable;
- (m) the death grant when a firefighter member dies in service will be three times pensionable pay at the date of death; under the 2007 Scheme it is two times pensionable pay;
- (n) any pension paid to an adult survivor who is 12 or more years younger than the firefighter member will be reduced by 2.5% for every year or part year above the 12 years, up to maximum of 50%; there is no such restriction under the 2007 Scheme;
- (o) the member's contribution rate will be 8.5%; under the 2007 Scheme, for members who joined before 6th April 2006, the rate was 11%.

Service transferred from the 2007 Scheme will be transferred at a special rate during the first three months after the new Scheme comes into force.

A full regulatory impact assessment has not been produced for this Order, as it has no impact on the costs of business, charities or voluntary bodies.
