(4) An appeal against a waiver decision shall be in writing on a form approved by the Department and unless an application has been granted to extend the time for an appeal against a waiver decision under regulation 7, shall be sent to the Department not later than one month after the date of the waiver decision.

(7) See Article 9(6) of the Order for the meaning of waiver decision

- (d) where the compensator makes a waiver application, not later than one month after—
 - (i) the date of the waiver decision, or
 - (ii) if the compensator appeals against that decision, the date on which the appeal is decided or withdrawn.

(2) Where the points raised in an appeal against a certificate have not already been the subject of a review under Article 8 the Department, if it thinks it appropriate to do so, may treat an appeal against a certificate as an application for review under Article 8(3).

(3) Where the Department decides to treat an appeal against a certificate as an application for review under Article 8(3) it must advise the applicant that it has done so and—

- (a) where the certificate is confirmed, notify the applicant of that decision; or
- (b) otherwise issue a fresh certificate.

(4) Any appeal under this regulation shall contain the following particulars—

- (a) the date of the certificate in relation to which the appeal is made;
- (b) the ground under Article 9 to which the appeal relates; and
- (c) a summary of the arguments relied on by the person making the appeal to support his contention that the certificate is wrong.

Appeals — General

6.—(1) Where an appeal is not made on the form approved for the time being, but is made in writing and contains all the particulars required under regulations 4(5) or 5(4), as the case may be, the Department may treat that appeal as duly made.

(2) Where it appears to the Department that an appeal does not contain all the particulars required under regulations 4(5) or 5(4), as the case may be, it may require the person making the appeal to provide such particulars as are not included.

(3) Where paragraph (2) applies, the Department may extend the time specified by regulations 4(4) or 5(1), as the case may be, for making the appeal by a period of not more than 14 days.

(4) Where further particulars are required under paragraph (2), they shall be sent to the Department within such a period as it may direct.

(5) Where a person is required under paragraph (2) to provide further particulars and does not do so within the period of time specified under paragraph (4)—

- (a) the Department shall send a copy of the appeal together with any other relevant documents, to a legally qualified panel member; and
- (b) that panel member shall determine whether the appeal is to be treated as duly made, and shall inform the appellant, and the Department of his decision.

(6) The date of an appeal shall be—

- (a) the date on which all the particulars required under regulations 4(5) or 5(4), as the case may be, are received by the Department; or
- (b) where a legally qualified panel member determines under paragraph (5)(b) that the appeal is to be treated as duly made, the date on which the appeal was received by the Department.

Extension of time for appealing

7.—(1) The time prescribed by regulations 4 and 5 for the making of an appeal may be extended, even though the time so prescribed may already have expired, on application by the compensator.

(2) Any application for an extension of time shall be sent to the Department and shall be determined by a legally qualified panel member except that where the Department is satisfied that the condition in paragraph (3)(b) is satisfied it may also grant the application.

(3) An applicant must satisfy the person determining the application that—

- (a) if the application is granted there are reasonable prospects that such an appeal will be successful; or
- (b) it is in the interests of justice that the application be granted.

(4) For the purposes of paragraph (3) it shall not be considered to be in the interests of justice to grant an application unless the person determining the application is satisfied that—

- (a) special reasons exist which are wholly exceptional and which relate to the history or facts of the case;
- (b) such special reasons have existed throughout the period beginning with and including the day following the expiry of the time prescribed, as the case may be, by regulation 4 or 5 for the making of an appeal and ending with the day on which the application for extension of time is made; and
- (c) such special reasons manifestly constitute a reasonable excuse of compelling weight for the applicant's failure to make an appeal within the prescribed time.

(5) In determining whether there are special reasons for granting an application for an extension of time for making an appeal under paragraph (1) the person determining the application shall have regard to the principle that the greater the amount of time that has elapsed between the expiry of the time specified for the making of the appeal and the making of the application for an extension of time, the more cogent should be the special reasons on which the application is based.

(6) In determining whether facts constitute special reasons for granting an application for an extension of time for making an appeal under paragraph (1), no account shall be taken of the following—

- (a) that the applicant or anyone acting for him or advising him was unaware of or misunderstood the law applicable to his case (including ignorance or misunderstanding of any time limits imposed by regulations 4 or 5);
- (b) that a Commissioner or a court has taken a different view of the law from that previously understood and applied.

(7) The person who determines an application for an extension of time for making an appeal shall record a summary of his decision in such written form as has been approved by the President of appeal tribunals appointed under Article 6 of the Social Security (Northern Ireland) Order 1998.

(8) Where a decision is made under this regulation by a legally qualified panel member he shall notify the applicant and the Department.

(9) Where a decision is made under this regulation by the Department it shall notify the applicant.

(10) Any application under paragraph (1) for an extension of time for making an appeal shall contain the following particulars—

- (a) particulars of the special reasons on which the application is based, if applicable; or
- (b) the particulars required under regulation 5(4) in relation to the appeal against the certificate which it is proposed to bring; and
- (c) in the case of an application for an extension of time for making an appeal against a waiver decision, the particulars required under regulation 4(5).

(11) An application under paragraph (1) which has been refused may not be renewed.

(12) No appeal may be brought later than 1 year after the beginning of the period prescribed in regulations 4(2) or 5(1), as the case may be, or, if more than one such period is relevant, the one beginning later or latest.

EXPLANATORY NOTE

(This note is not part of the Regulations)

The Recovery of Health Services Charges (Northern Ireland) Order 2006 provides for a scheme for the recovery of charges in cases where an injured person who receives a compensation payment in respect of his injury has received health services hospital treatment or ambulance services. The charges are specified in certificates issued by the Department for Social Development, and are payable by persons who pay compensation to the injured person.

A person to whom a certificate is issued may appeal against the certificate, provided he pays beforehand the amounts specified in the certificate or the Department waives the requirement to pay. The person may also appeal against the Department's decision whether to waive the requirement to pay ("the waiver decision").

The regulations make provision—

- (a) for the circumstances and timing of reviews by the Department of certificates (regulation 2);
- (b) for the Department to inform a person to whom a certificate is issued of particulars relating to appeals against certificates (regulation 3);
- (c) as to the manner and timing of applying for a waiver of the requirement in Article 9(2)(b) to pay the amount specified in the certificate before appealing against the certificate and for appealing a waiver decision (regulation 4);
- (d) as to the manner and timing of appealing against a certificate (regulation 5);
- (e) for general matters relating to appeals against waiver decisions or certificates (regulation 6);
- (f) as to the grounds on which, and manner by which, an application can be made for an extension of the time limits for making an appeal against a waiver decision or certificate (regulation 7);
- (g) for the application of certain provisions (modified appropriately) of the Social Security Regulations relating to procedural matters of the appeal tribunal to appeals against waiver decisions and certificates (regulation 8);
- (h) for the consolidation of appeals against certificates relating to the same injury (regulation 9).
