

## SCHEDULE 2

### CIRCUMSTANCES IN WHICH ARTICLES 3 AND 4 SHALL NOT APPLY

#### **Journeys between the same two points**

- 2.—(1) The transport of animals—
- (a) between the same two points;
  - (b) over the course of a single day; and
  - (c) in a means of transport used exclusively for that purpose

if Article 3 is complied with in relation to the first and last journeys of the day.

- (2) In this paragraph, the transport of animals takes place over the course of a single day even if—
- (a) the last journey is begun but not completed before midnight on the day in question; and
  - (b) in the case of a hoofed animal which has been participating in an event taking place during, or continuing into, the evening of the day in question, the last journey begins as soon as practicable after the end of that event, whether or not it begins before midnight.
- (3) This paragraph shall not apply to journeys between markets.
