

SCHEDULE

Occupations prescribed in relation to the diseases to which the Order applies

PART 1

Occupations prescribed in relation to Pneumoconiosis

4. Any occupation involving work in a foundry or the performance of, or substantial exposure to the dust arising from, any of the following operations—
 - (a) the freeing of steel castings from adherent siliceous substance;
 - (b) the freeing of metal castings from adherent siliceous substance—
 - (i) by blasting with an abrasive propelled by compressed air, by steam or by a wheel, or
 - (ii) by the use of power-driven tools.
