

SCHEDULE 7

SPECIFIED RISK MATERIAL, MECHANICALLY SEPARATED MEAT AND SLAUGHTERING TECHNIQUES

Training

2. The occupier of any slaughterhouse or cutting plant where specified risk material is removed must—

- (a) ensure that staff receive any training necessary to ensure that the occupier complies with their duties in this Schedule; and
- (b) keep records of each person's training for as long as that person works there,

and failure to do so is an offence.
