Regulation 2 amends the Pharmaceutical Regulations by substituting sub-paragraph (b) in the definition of “independent nurse prescriber”, omitting the definition of “nurses and midwives’ professional register”, substituting a new definition of “Nursing and Midwifery Register”, inserting a new definition of “optometrist independent prescriber”, inserting a new definition of “pharmacist independent prescriber”, substituting a new definition of “prescriber”, substituting a new definition of “prescription form”, substituting sub-paragraph (b) in the definition of “relevant register”, inserting a new sub-paragraph (c) in the definition of “repeatable prescriber” and substituting a new definition of “supplementary prescriber” which includes chiropodists and podiatrists, physiotherapists, diagnostic or therapeutic radiographers and optometrists.

Regulation 3 amends the Charges Regulations by omitting the definition of “Agency”, substituting a new definition of “independent nurse prescriber”, omitting the definition of “medical list”, substituting a new definition of “Nursing and Midwifery Register” in place of the existing definition of “nurses and midwives’ professional register”, inserting a new definition of “optometrist independent prescriber”, inserting a new definition of “pharmacist independent prescriber”, inserting a new definition of “prescriber”, substituting a new definition of “prescription form”, inserting a new definition of “repeatable prescriber”, substituting a new definition of “repeatable prescription”, substituting a new definition of “supplementary prescriber” which includes chiropodists and podiatrists, physiotherapists, diagnostic or therapeutic radiographers and optometrists and substituting a new sub-paragraph (a) in the definition of “terms of service”.
