

EXPLANATORY MEMORANDUM TO

The Health and Safety at Work Order (Application to Environmentally Hazardous Substances) (Amendment) Regulations (Northern Ireland) 2009

S.R 2009 No. 296

1. Introduction

- 1.1 This Explanatory Memorandum has been prepared by the Department of Enterprise, Trade and Investment to accompany the Statutory Rule (details above) which is laid before the Northern Ireland Assembly.
- 1.2 The Statutory Rule is made under section 2(2) of the European Communities Act 1972 and is subject to negative resolution procedure.
- 1.3 The Rule is due to come into operation on 21 September 2009.

2. Purpose

- 2.1 The Regulations, which are technical in nature, amend the Health and Safety at Work Order (Application to Environmentally Hazardous Substances) Regulations (Northern Ireland) 2003 (S.R. 2003 No. 52) ("the 2003 Regulations"). The 2003 Regulations extend the reference to dangerous substances in Article 3(1)(c) of the Health and Safety at Work (Northern Ireland) Order 1978 (S.I. 1978/1039 (N.I. 9)) ("the 1978 Order"). The purpose of the 2003 Regulations is to enable Regulations to be made under Article 17 of the 1978 Order to implement the Directives referred to in regulation 2(1) of the 2003 Regulations.
- 2.2 Although the Regulations do not in themselves implement European Directives they amend regulation 2(1) of the 2003 Regulations to add a reference to Directive 2008/68/EC of the European Parliament and of the Council of 24 September 2008 on the inland transport of dangerous goods (O.J. No. L260, 30.09.08, p. 13) so that Regulations can be made under Article 17 of the 1978 Order to implement this Directive. It is proposed that the provisions of Directive 2008/68/EC will be transposed by Regulations to be called the Carriage of Dangerous Goods and Use of Transportable Pressure Equipment Regulations (Northern Ireland) 2009 ("the Carriage Regulations"). It is expected that the Carriage Regulations will be made later this year.
