EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations further amend the Travelling Expenses and Remission of Charges Regulations (Northern Ireland) 2004 (“the principal Regulations”), which provide for remission and payment of certain charges which would otherwise be payable under the Health and Personal Social Services (Northern Ireland) Order 1972 and for payment by the Department of Health, Social Service and Public Safety of travelling expenses incurred in attending a hospital.

In calculating a person’s resources and requirements under the principal Regulations in order to establish whether a person can claim entitlement to remission of Health Service charges and the payment of Health Services travelling expenses, a modified version of the Income Support (General) Regulations 1987 is used, as set out in Schedule 1 to the principal Regulations.

These regulations update the reference to the publication which describes additional loans paid under the Education (Student Loans) (Scotland) Regulations 2007. These loans are disregarded in the calculation of a student’s loan income when a person’s entitlement to remission of Health Service charges and the payment of Health Services travelling expenses is being established under the principal Regulations.
