Sealed with the Official Seal of the Department of Agriculture and Rural Development on 7th July 2010

John Speers
A senior officer of the Department of Agriculture
and Rural Development

EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Plant Health Order (Northern Ireland) 2006 by removing certain townlands previously scheduled as safety zones to protect against spread of potato wart disease (PWD). Previously the varieties of potatoes grown in these townlands were restricted, by the Plant Health Order (Northern Ireland) 2006, to PWD resistant types. The Order lifts restrictions on the growing of potatoes in the former safety zones as provided in Article 2.
