## “SCHEDULE

Article 2

## KINDS OF DANGEROUS WILD ANIMALS

Note: See Article 2(6) for the effect of the second column of this Schedule

<i>Scientific name of kind</i>	<i>Common name or names</i>
<b>MAMMALS</b>	
<b>Marsupials</b>	
<b>Family</b> <i>Dasyuridae</i> :	The Tasmanian devil.
The species <i>Sarcophilus laniarius</i>	
<b>Family</b> <i>Macropodidae</i> :	The western and eastern grey kangaroos, the wallaroo and the red kangaroo.
The species <i>Macropus fuliginosus</i> , <i>Macropus giganteus</i> , <i>Macropus robustus</i> and <i>Macropus rufus</i>	
<b>Primates</b>	
<b>Family</b> <i>Callitrichidae</i> :	Tamarins.
All species	
<b>Family</b> <i>Cebidae</i> :	New-world monkeys (including capuchin, howler, saki, spider, squirrel, titi, uacari and woolly monkeys and the night monkey (also known as the owl monkey).
All species	
<b>Family</b> <i>Cercopithecidae</i> :	Old-world monkeys (including baboons,
All species	the drill, colobus monkeys, the gelada, guenons, langurs, leaf monkeys, macaques, the mandrill, mangabeys, the patas and proboscis monkeys and the talapoin).
<b>Family</b> <i>Indriidae</i> :	Leaping lemurs (including the indri, sifakas and the woolly lemur).
All species	
<b>Family</b> <i>Lemuridae</i> :	Large lemurs.
All species except those of the genus <i>Haplemur</i> .	Bamboo or gentle lemurs are excepted.
<b>Family</b> <i>Hylobatidae</i> :	Gibbons and Siamangs.
All species	
<b>Family</b> <i>Hominidae</i> :	Anthropoid apes including chimpanzees, orang-utans and gorillas.
All species except those of the genus <i>Homo</i> .	

**Status:** This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

<i>Scientific name of kind</i>	<i>Common name or names</i>
<b>Edentates</b>	
<b>Family</b> <i>Bradypodidae:</i>	Sloths.
All species	
<b>Family</b> <i>Dasypodidae:</i>	The giant armadillo.
The species <i>Priodontes maximus</i> .	
<b>Family</b> <i>Myrmecophagidae:</i>	The giant anteater.
The species <i>Myrmecophaga tridactyla</i> .	
<b>Rodents</b>	
<b>Family</b> <i>Erethizontidae:</i>	The North American porcupine.
The species <i>Erethizon dorsatum</i> .	
<b>Family</b> <i>Caviidae:</i>	The capybara
The species <i>Hydrochoerus hydrochaeris</i> .	
<b>Family</b> <i>Hystriidae:</i>	Crested porcupines
The species of the genus <i>Hystrix</i>	
<b>Carnivores</b>	
<b>Family</b> <i>Ailuridae:</i>	The red panda
The species <i>Ailurus fulgens</i>	
<b>Family</b> <i>Canidae:</i>	Wild dogs, wolves, jackals, the coyote, the maned wolf, the bush dog and the dhole.
All species except those of the genera <i>Alopex</i> , <i>Cerdocyon</i> , <i>Pseudalopex</i> , <i>Urocyon</i> , <i>Dusicyon</i> , <i>Otocyon</i> , <i>Nyctereutes</i> and <i>Vulpes</i> . The species <i>Canis familiaris</i> , other than the subspecies <i>Canis familiaris dingo</i> , is also excepted.	Foxes and the raccoon dog and the domestic dog (but not the dingo) are excepted.
<b>Family</b> <i>Felidae:</i>	All cats including the bobcat, caracal, cheetah, jaguar, leopard, lion, lynx, ocelot, puma, serval and tiger.
All except the species <i>Felis catus</i>	The domestic cat is excepted.
<b>Family</b> <i>Hyaenidae:</i>	Hyaenas (except the aardwolf).
All except the species <i>Proteles cristatus</i> .	
<b>Family</b> <i>Mustelidae:</i>	Badgers (except the Eurasian badger),otters (except the European otter) and the tayra, wolverine, fisher and ratel (otherwise known as the honey badger).
All species of the genera <i>Amblonyx</i> , <i>Arctonyx</i> , <i>Aonyx</i> , <i>Enhydra</i> , <i>Lontra</i> , <i>Melogale</i> , <i>Mydaus</i> , <i>Pteronura</i> and <i>Taxidea</i> .	

<i>Scientific name of kind</i>	<i>Common name or names</i>
The genus <i>Lutra</i> except the species <i>Lutra lutra</i> .	
The species <i>Eira barbara</i> , <i>Gulo gulo</i> , <i>Martes pennanti</i> and <i>Mellivora capensis</i> .	
<b>Family</b> <i>Procyonidae</i> :	Cacomistles, raccoons, coatis, olingos,
All species.	the little coatimundi and the kinkajou.
<b>Family</b> <i>Ursidae</i> :	All bears including the giant panda.
All species including the species <i>Ailuropoda melanoleuca</i> .	
<b>Family</b> <i>Viverridae</i> :	The African, Large-spotted, Malay, large Indian civets, the fossa and the binturong.
All of the genus <i>Civettictis</i> and <i>Viverra</i> , and the species <i>Cryptoprocta ferox</i> and <i>Arctictis binturong</i> .	
<b>Pinnipedes</b>	
<b>Family</b> <i>Odobenidae</i> :	The walrus.
All species.	
<b>Family</b> <i>Otariidae</i> :	Eared seals and sea lions
All species	
<b>Family</b> <i>Phocidae</i> :	True or earless seals.
All species except <i>Phoca vitulina</i> and <i>Halichoerus grypus</i> .	The common seal (or harbour seal) and grey seals are excepted.
<b>Elephants</b>	
<b>Family</b> <i>Elephantidae</i> :	Elephants.
All species	
<b>Odd-toed ungulates</b>	
<b>Family</b> <i>Equidae</i> :	Asses, horses and zebras.
All species except <i>Equus asinus</i> , <i>Equus caballus</i> and <i>Equus asinus x Equus caballus</i> .	The donkey and domestic horse are excepted.
<b>Family</b> <i>Rhinocerotidae</i> :	Rhinoceroses.
All species	
<b>Family</b> <i>Tapiridae</i> :	Tapirs.
All species	
<b>Aardvark</b>	

**Status:** This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

<i>Scientific name of kind</i>	<i>Common name or names</i>
<b>Family</b> <i>Orycteropodidae</i> :  The species <i>Orycteropus afer</i>	The aardvark.
<b>Hyraxes</b>	
<b>Family</b> <i>Procaviidae</i> :  All species	Tree and rock hyraxes (otherwise known as dassies).
<b>Even-toed ungulates</b>	
<b>Family</b> <i>Antilocapridae</i> :  The species <i>Antilocapra americana</i>	The Pronghorn.
<b>Family</b> <i>Bovidae</i> :  All species except any domestic form of the genera <i>Bos</i> , <i>Bubalus</i> , <i>Capra</i> and <i>Ovis</i> .	Antelopes, bison, buffalo, gazelles, goats and sheep.  Domestic cattle, buffalo, goats and sheep are excepted.
<b>Family</b> <i>Camelidae</i> :  All species of the genus <i>Camelus</i> .  All species of the genus <i>Lama</i> , except the species <i>Lama glama</i> and <i>Lama pacos</i> .	Camels, the guanaco and the vicugna.  The domestic llama and alpaca are excepted.
<b>Family</b> <i>Cervidae</i> :  All species of the genera <i>Alces</i> and <i>Rangifer</i> , except any domestic form of the species <i>Rangifer tarandus</i> .	The moose or elk and the caribou or reindeer.  The domestic reindeer is excepted.
<b>Family</b> <i>Giraffidae</i> :  All species	The giraffe and the okapi.
<b>Family</b> <i>Hippopotamidae</i> :  All species	The hippopotamus and the pygmy hippopotamus.
<b>Family</b> <i>Suidae</i> :  All species except any domestic form of the species <i>Sus scrofa</i> .	Old-world pigs (including the wild boar and the wart hog).  The domestic pig is excepted.
<b>Family</b> <i>Tayassuidae</i> :  All species	New-world pigs (otherwise known as peccaries).
<b>Hybrids</b>	
Any hybrid of a kind of animal specified	Mammalian hybrids with a parent (or
