 - (b) any relevant condition for payment of the grant, or of any part of it, has been complied with.

Amount of grant

10. The amount of the grant—
- (a) shall not exceed the cost of purchase or supply of the approved software; and

Withholding and recovery of grant

- 11.—(1) If it appears to the Department that an applicant has in respect of a fishing boat,

- (a) give the applicant a written explanation of the reasons for the action proposed to be taken;
- (b) afford the applicant the opportunity to make written representations within a reasonable time specified by the Department;
- (c) consider any such representations; and
- (d) notify the applicant in writing of its decision.

Interest

12.—(1) Where the Department decides to recover on demand an amount in accordance with paragraph 11(1), interest may also be recovered on that amount on a daily basis at the rate of 1% above the LIBOR for the period beginning with the day following that on which the amount was paid and ending on the day on which the amount is recovered.

(2) In this paragraph “LIBOR”, in relation to any day, means the sterling three-month London inter-bank offered rate in force for that day rounded if necessary to two decimal places.

(3) In any proceedings for recovery under this Scheme, a certificate issued by the Department stating the LIBOR applicable for any day specified in the certificate is conclusive evidence of the LIBOR in question if the certificate also states that the Bank of England notified the Department of the LIBOR in question.
