**2012 No. 192**

The Building Regulations (Northern Ireland) 2012

PART J

Solid waste in buildings

**Solid waste storage**

- 62.**—(1) Adequate provision shall be made for the hygienic storage of solid waste from a building.
- (2) Adequate means of access shall be provided—
- (a) for people in the building to the place of storage; and
  - (b) from the place of storage to the waste collection point.
