

SCHEDULE

Use of vehicle of any class for which an operator's licence is not required

12. A vehicle fitted with a machine, appliance, apparatus or other contrivance which is a permanent or essentially permanent fixture for carrying out maintenance on the road, water, electricity or gas networks and provided that the only goods carried on the vehicle are—

- (a) required for use in connection with the function of the machine, appliance, apparatus or contrivance or the running of the vehicle; or
- (b) mud, including contents of road gullies, or other matter swept up from the surface of a road by the use of the machine, appliance, apparatus or other contrivance.
