**2013 No. 160**

The Pollution Prevention and Control (Industrial Emissions) Regulations (Northern Ireland) 2013

PART 2  
PERMITS

**Permits: requirement for a permit**

9.—(1) No person shall operate an installation or mobile plant after the prescribed date except under and to the extent authorised by a permit granted by the enforcing authority.

(2) In paragraph (1), the “prescribed date” means the appropriate date set out in or determined in accordance with Schedule 3.
