SCHEDULE 7

VARIATION OF CONDITIONS

PART 1

APPLICATIONS FOR VARIATION OF CONDITIONS

11. If the enforcing authority fails to give notice of its determination or draft determination of an application for a variation of the conditions of a permit within the applicable period allowed by or under paragraph 8 or 10, the application shall, if the operator notifies the authority in writing that he treats the failure as such, be deemed to have been refused at the end of that period.
