- (b) otherwise to members of the public, including by way of free sample, prize or mail order,

the enforcing authority for regulation 11 of these Regulations and for the Articles of the Biocides Regulation listed in paragraph (3) shall be the district council for the district in which the biocidal product or treated article is placed on the market or made available on the market.

(3) The Articles referred to in paragraph (2) are—

- (a) Article 17(1), in so far as it relates to making biocidal products available on the market;

(2) An inspector may not enter domestic premises in the exercise of that inspector’s powers under the 1978 Order, as applied to the Biocides Regulation by virtue of regulation 7(1)(a) of these Regulations, in respect of an activity which is not, or is not related to, an activity involving work, unless a lay magistrate has issued a warrant authorising the inspector to enter and exercise that inspector’s powers in those premises.

(3) A lay magistrate may not issue such a warrant unless, on an application made by the inspector, the lay magistrate is satisfied—

- (a) that the inspector has reasonable grounds for believing that there is present in the domestic premises anything to which those powers relate; and

(b) that—

- (i) it is not practicable to communicate with any person entitled to grant entry to those premises;
- (ii) a person entitled to grant entry to those premises has unreasonably refused an inspector entry;
- (iii) entry to those premises is unlikely to be granted unless a warrant is produced; or

(4) The competent authority may only grant an authorisation under this regulation if it concludes that, taking into account all available information, it is reasonable to assume that continued use of that biocidal product does not have any unacceptable effect on human or animal health or on the environment.

(5) An authorisation granted under this regulation shall—

- (a) require that the biocidal product is placed on the market only for the essential use allowed for by the derogation;
- (b) impose any risk reduction measures that the competent authority considers appropriate for that product; and
