SCHEDULE 4

Licence Conditions

Condition 2: Whelping facilities

- 2.—(1) All bitches shall be provided with a designated area prior to whelping with a suitable whelping box/bed.
- (2) Heating facilities should be adequate, secure and safe and capable of providing the range of temperatures, suitable for both pups and bitch.
- (3) An area shall be provided within the whelping kennel where a bitch can rest away from her pups.
