

## SCHEDULE 2

### ADDITIONAL REQUIREMENTS FOR KILLING ANIMALS OTHER THAN IN SLAUGHTERHOUSES

#### **PART 5**

#### STUNNING AND KILLING OPERATIONS

##### **Non-penetrative captive bolt**

34. No person may stun an animal using a non-penetrative captive bolt except by an instrument which is applied in the proper position and which is used with the correct strength of cartridge or other propellant in accordance with the manufacturer's instructions to produce an effective stun.

**Changes to legislation:**

There are currently no known outstanding effects for the The Welfare of Animals at the Time of Killing Regulations (Northern Ireland) 2014, Paragraph 34.
