2014 No. 188

The Local Government Pension Scheme
Regulations (Northern Ireland) 2014

PART 1

MEMBERSHIP, CONTRIBUTIONS AND BENEFITS

SURVIVOR BENEFITS

Survivor benefits: deferred members

Survivor benefits: children of deferred members

48.—(1) If a deferred member dies leaving one or more eligible children, they are entitled to a children's pension which shall come into payment on the day following the member's death.

(2) The Committee shall open a survivor member's pension account for the eligible child or children, in accordance with regulation 49 (survivor benefits: children of deferred member where pension is payable to a partner of deferred member) or regulation 50 (survivor benefits: children of deferred member where no pension is payable to partner of deferred member) from the day following the deferred member's death.

(3) The children's pension shall be calculated in accordance with regulation 49 or regulation 50.

(4) If the member ceased to be an active member, became a deferred member and died all within the same Scheme year, the balance in the survivor member's pension account at the end of the Scheme year in which the survivor member's pension account was opened is adjusted at the beginning of the following Scheme year by the revaluation adjustment applicable to the Scheme year in which the member died, in accordance with actuarial guidance issued by the Department.

(5) Where—

(a) paragraph (4) applies, the revalued balance calculated under paragraph (4) is the opening balance of the survivor member's pension account for the following scheme year;

(b) paragraph (4) does not apply, the balance under regulation 49(2) (survivor benefits: children of deferred member where pension is payable to partner of deferred member) or 50(2) (survivor benefits: children of deferred member where no pension is payable to partner of deferred member), as the case may be, is the opening balance of the survivor member's pension account for the following scheme year,

and, thereafter, the balance in the survivor member's pension account is adjusted each year by the index rate adjustment from the date that an increase would apply if that balance were a pension in payment to which the 1971 Act applied.
