25.—(1) This regulation applies to a transition member who has accrued entitlements in the 1995 Section from the payment of additional contributions under Part VIII of the 1995 Regulations.

(2) Where this regulation applies, the member may elect that the part of a pension payable under regulation 12 of the 1995 Regulations derived solely from the payment of additional contributions under Part VIII of those Regulations should be payable from—

- (a) the member's chosen date (subject to paragraph (10), as defined in regulation 72(3)), in the case of purchase of additional service;
- (b) the member's chosen birthday (subject to paragraph (10), as defined in regulation 73A), in the case of purchase of additional pension,

(3) Paragraph (4) applies where the member has—

(5) Regulations 17 and 17A of the 1995 Regulations (where relevant) apply in relation to a payment made pursuant to this regulation.

(6) An election for the purposes of paragraph (2) must be given in writing to the scheme manager, containing such information as the scheme manager requires, no later than one month before the member's chosen date or the member's chosen birthday (as applicable).

(7) Where payment of part of a pension is made pursuant to paragraph (2) in respect of additional service resulting from an election under regulation 70 or 72 of the 1995 Regulations—

- (a) regulations 19, 25 and 35 of the 1995 Regulations apply to that part of a pension as though it was the member's pension for the purposes of those regulations;
- (b) the 1995 Regulations apply to the member's remaining entitlements under those Regulations as though no additional contributions had been made under Part VIII; and
- (c) no further pension in respect of the additional contributions actually paid under Part VIII of the 1995 Regulations is payable under those Regulations.

(8) Where payment of part of a pension is made pursuant to paragraph (2) in respect of additional pension resulting from an option under regulation 73A or 73C of the 1995 Regulations—

(9) The scheme manager must notify the member in writing of the right to make an election under this Regulation at least six months before the member's chosen date or the member's chosen birthday (as applicable), specifying—

- (b) the amount of any pension payable under this regulation (before any option to commute part of the pension into a lump sum); and
- (c) the date by which the election under this regulation must be received by the scheme manager pursuant to paragraph (6).

(10) In paragraph (2)—

- (a) the "chosen date" for an election under regulation 70 is the date of the member's 60th birthday; and

Bulk Transfers

Acceptance of bulk transfers

26.—(1) If, in circumstances where regulation 147 of the 2015 Regulations applies, the special terms agreed for the acceptance of transfer payments require such part of a transfer value payment as relates to a member's final salary benefits to be paid into the 1995 Section or the 2008 Section, that part of the transfer value must be paid into that Section.

(2) In this regulation, "final salary benefit" means—

- (a) benefit accrued under a final salary scheme; and
- (b) where only part of the pension entitlement payable under a final salary scheme to or in respect of a person which is based on the pensionable service of that person is or may be determined by reference to the person's final salary, the benefit in respect of which the pension entitlement is so determined.

27.—(1) This regulation applies to a member—

- (a) who, apart from the operation of this regulation—
 - (i) is prevented from contributing to or accruing further service in the 1995 Section or being an active member of the 2008 Section—
 - (aa) on or after 1st April 2015; or

- (bb) after the member's eligibility cessation date has been reached (see regulation 8(4) to (18) of the 1995 Regulations⁽¹⁶⁾ and regulation 22(1A) to (1L) or 154(1A) to (1L) of the 2008 Regulations⁽¹⁷⁾); and
 - (ii) becomes eligible to join the new scheme on either 1st April 2015 or the day after the member's eligibility cessation date (the member's "transition date");
 - (b) who submitted Form AW33 (or such other form as the Department accepted) together with supporting medical evidence if not included in the form) for the purposes of regulation 13A of the 1995 Section or regulation 52 or 182 of the 2008 Section before the transition date;
 - (c) whose Form AW33 and supporting medical evidence was received by the Department before the transition date; and
 - (d) whose ill-health pension has not become payable under the 1995 Section or the 2008 Section before the transition date.
- (2) Where this regulation applies and the member is not entitled to immediate payment of ill-health pension under either the 1995 Section or the 2008 Section, the member does not become eligible to be a member of the new scheme until the day after—
- (a) the member withdraws the application for ill-health pension; or
 - (b) the Department determines that there is no entitlement to ill-health pension under the 1995 Section or the 2008 Section (as applicable) and that determination has become final and binding.
- (3) In paragraph (2), "final and binding" means—
- (a) the determination may not be the subject of further challenge by the member—
 - (i) pursuant to dispute resolution arrangements made and implemented under Article 50 of the Pensions (Northern Ireland) Order 1995⁽¹⁸⁾;

- (4) Where the Department determines that, with the exception of the cessation condition, entitlement to ill-health pension under the 1995 Section or the 2008 Section (as applicable) has been established, the member—
- (a) must satisfy the cessation condition before the period of one year after the transition date; or
 - (b) on expiry of that period, may be deemed by the Department to have withdrawn the application for ill-health pension.
- (5) Where, by virtue of paragraph (4), the member is deemed to have withdrawn the application for ill-health pension, the member becomes eligible to be a member of the new scheme on the expiry of the period mentioned in that paragraph.
- (6) In paragraph (4), "the cessation condition" is that the member—

Ill health benefits: members below old scheme normal pension age

- 28.**—(1) This regulation applies in relation to a transition member who—
- (a) becomes entitled to an ill-health pension under the new scheme; and
 - (b) has not reached the old scheme normal pension age.
- (2) If this regulation applies—
- (a) an ill-health pension and lump sum are not payable under the old scheme;
 - (b) an ill health pension is payable under the new scheme in accordance with this regulation; and
 - (c) the member becomes a deferred member of the old scheme (but no entitlement to a pension arises under—
 - (i) regulation 49(3) of the 1995 Regulations; or
 - (ii) regulations 48, 54, 179 and 184 of the 2008 regulations,
 by virtue of becoming a deferred member pursuant to this regulations).

- (a) the annual rate of ill-health pension payable under the new scheme is the sum of—
 - (i) the annual rate of a Tier 1 ill-health pension payable under the new scheme; and
 - (ii) the annual rate of earned pension that would, if the member was entitled to payment of an ill-health pension under the old scheme, be payable to the member at the old scheme normal pension age; and
 - (b) the member is entitled to payment of a lump sum of the amount of the lump sum (if any) which would, had the member been entitled to payment of an ill-health pension under the old scheme, be payable to the member under—

 - (iii) regulation 260K (Amount of pension and lump sum to be paid to a 2008 Section Optant) of the 2008 Regulations.
- (4) If the member meets the Tier 2 conditions set out in regulation 89 (Entitlement to ill-health pension) of the 2015 Regulations, the annual rate of ill-health pension and lump sum payable under the new scheme is the sum of—
- (a) the amounts specified at paragraph (3); and
 - (b) the annual rate of a Tier 2 addition payable under the new scheme.
- (5) If, after the ill-health pension becomes payable under this regulation, a transfer payment is made from the old scheme in respect of the member's rights under that scheme, the scheme manager must deduct from the amount of ill-health pension payable under this regulation in respect of service in the old scheme an amount which is equal to the value of the pension represented by that transfer payment.
- (6) The amount of pension payable under this regulation which represents the amount that would have been payable under the old scheme is subject to the same conditions, and ceases to be payable

in the same circumstances, as the pension to which the member would have been entitled under the old scheme in accordance with whichever of the 1995 Regulations or the 2008 Regulations are applicable.

- (7) In this regulation and regulation 29—
- (a) a reference to the annual rate of earned pension payable under the old scheme means the annual pension payable under the following provisions—
 - (i) if the member was an active member of the 1995 Section before becoming an active member of the new scheme, regulation 12 of that Section;
 - (ii) if the member was an active member of the 2008 Section before becoming an active member of the new scheme, regulation 45 or 176 of that Section;

 - (c) a reference to an ill-health pension payable under the new scheme means an ill-health pension payable under regulation 89 of the 2015 Regulations;
 - (d) a reference to the old scheme normal pension age means—
 - (i) as regards the 1995 Section, normal benefit age under the 1995 Regulations; or
 - (ii) as regards the 2008 Section, the age specified in regulation 45 or 176 (normal retirement pensions) of the 2008 Regulations.

 - (b) the member becomes entitled to the immediate payment of the annual rate of earned pension payable under the old scheme in accordance with the Regulations of the applicable Section; and
 - (c) no lump sum is payable to the member under those Regulations.
- (3) In calculating the annual rate of earned pension payable under the old scheme for the purposes of paragraph (2)(b), the following are subtracted—
- (a) the amount of pension amount (if any) converted to lump sum under regulation 76 of the 2015 Regulations to the extent that it relates to the pension payable under regulation 28(3)(a)(ii); and
 - (b) an amount equal to any transfer payment made to another scheme before the member reached the old scheme normal pension age.
- (4) Before the amounts in paragraph (3)(a) and (b) are subtracted they must be increased by the amount by which the annual rate of pension of that amount would have been increased under the Pensions (Increase) Act (Northern Ireland) 1971(20) if—

- (a) that pension was eligible to be so increased; and
- (b) the beginning date for that pension was the date that ill-health pension became payable under the new scheme.

Partial Retirement

31.—(1) Where a transition member elects to claim a specified percentage of that member’s pension pursuant to regulation 83 of the 2015 Regulations, that election is to be treated as also being an option for the purposes of partial retirement pension pursuant to whichever of regulations 49 or 180 of the 2008 Regulations applies to the member.

(2) A transition member does not become entitled to a specified percentage of a pension under regulation 83 of the 2015 Regulations until the member has become entitled to and claimed all benefits in the 2008 Section.

(3) For the purposes of regulation 49(6) and 180(5) of the 2008 Regulations and regulation 83(5) of the 2015 Regulations—

- (a) 14A of the 1995 Regulations⁽²¹⁾; or
- (b) 55 of the 2008 Regulations.

(3) In this regulation, “relevant pensionable service” does not include—

34. Where an officer transition member other than one entitled to a pension pursuant to regulation 75 or 76 of the 1995 Regulations in respect of service in that Section becomes entitled to payment of a premature retirement pension pursuant to regulation 80 of the 2015 Regulations and claims that pension—

- (a) the member at the same time becomes eligible to a pension under whichever of regulations 14A of the 1995 Regulations or 55 of the 2008 Regulations applies to the member in relation to the termination of that member's employment in the interests of efficiency of the service in which the member is employed; and

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make transitional and consequential provision in relation to the Health and Social Care Pension Scheme Regulations (Northern Ireland) 2015 ([S.R. 2015 No.120](#)) (“the new scheme”) for persons who have previous service under the Health and Social Care Pension Scheme contained in Health and Personal Social Services (Superannuation) Regulations (Northern Ireland) 1995 ([S.R. 1995 No.95](#)) (“the 1995 Regulations”) and the Health and Social Care (Pension Scheme) Regulations (Northern Ireland) 2008 ([S.R. 2008 No.256](#)) (“the 2008 Regulations”) (the latter two Regulations together referred to here as “the old scheme”).

Part 1 deals with introductory matters and sets out definitions used in the Regulations.

Part 2 sets out transitional provisions by way of modification of the operation of the old scheme and the new scheme.

Chapter 1 introduces Schedule 1, which sets out when existing pensioners of the old scheme are eligible to become members of the new scheme.

Chapter 2 provides for nominations, notices and declarations given in the old scheme to have effect in the new scheme and vice versa.

Chapter 3 provides for members of the old scheme who are transferred to the new scheme to remain active members of the old scheme, and sets out when a break in service affects that continuing active membership.

Chapter 4 makes transitional provision in respect of contributions and final pay.

Chapter 5 deals with arrangements for existing contracts for additional service, unreduced lump sums and additional pension.

Chapter 6 provides for part of bulk transfer payments received into the new scheme to be paid into the old scheme in certain circumstances.

Chapter 7 makes transitional provision in respect of retirement benefits.

Chapter 8 deals with death in service benefits.

Chapter 9 provides for certain members to be able to elect to convert their service under the 1995 Regulations into service under the 2008 Regulations.

Part 3 introduces Schedule 2, which makes a number of amendments to the old scheme.

(43) [S.R. 2014 No.79](#)

Status: This is the original version (as it was originally made).

Parts 1 and 2 of Schedule 2 make similar amendments in respect of both the 1995 Regulations and the 2008 Regulations. They also introduce amendments specific to either the 1995 Regulations or the 2008 Regulations.

The changes dealing with similar issues in Parts 1 and 2—

- (i) amend the provision governing participation in the old scheme so that participation is only open to those who benefit from full protection (members within 10 years of retirement age under the Scheme) or who benefit from tapered protection (members more than 10 years but less than 13 years and 5 months away from retirement age under the Scheme);
- (ii) amend provisions of the old scheme to allow deferred benefits in the old scheme to be paid at the normal retirement age for that scheme despite the member remaining in HSC employment;
- (iii) insert new provisions dealing with a member's right to an annual benefit statement.

Amendments specific to the 1995 Regulations—

- (i) insert new provisions for crediting service in the 1995 Section in the 2008 Section.

Amendments specific to the 2008 Regulations—

- (i) amend the provisions relating to applications for transfers;
- (ii) insert new provisions (regulation 105 and 232) making provision for transfers between schemes that participate in the Public Sector Transfer Club.
