

EXPLANATORY MEMORANDUM TO

THE WHOLE OF GOVERNMENT ACCOUNTS (DESIGNATION OF BODIES) ORDER (NORTHERN IRELAND) 2015 (S.R. 2015 No. 152)

- 1.2 This memorandum contains information for the Departmental Committee.

- 3.1 This Order was made on 12th March 2015 and comes into operation on 14th April 2015. The 21 day rule has not been breached.

4. Legislative Background

- 4.1 The legislation is being made to designate bodies, for the financial year ended 31 March 2015, for the purposes of section 15 of the Government Resources and Accounts Act (Northern Ireland) 2001. The bodies designated include the District Councils for the 11 Local Government Districts established pursuant to the Local Government (Boundaries) Act (Northern Ireland) 2008. The designation enables the Department to require those bodies to provide financial information in relation to that financial year and consequently an Order must be made annually for the relevant accounting period. The Department of Finance and Personnel intends to pass the information provided by bodies designated in the Schedule to this Order, to HM Treasury for use in the preparation of the Whole of Government Accounts (WGA).
- 4.2 Like departmental resource accounts, WGA will be produced on an accruals basis and will use generally accepted accounting principles, adapted where necessary for government. These consolidated accounts will show the position of the UK Public Sector as if it were a single entity, by eliminating all significant transactions between public sector entities. The purpose of eliminating such transactions is to remove intra-group transactions that would otherwise misstate the financial position of the single entity i.e. the UK Public Sector.

5. Policy background
