
STATUTORY RULES OF NORTHERN IRELAND

2015 No. 351

**The Water Framework Directive (Classification,
Priority Substances and Shellfish Waters)
Regulations (Northern Ireland) 2015**

12. The Department may monitor the substances numbered 5, 21, 28, 30, 35, 37, 43 and 44 in Table 47 of Part 2 of Schedule 1 less intensively than is required for priority substances under regulation 11 and Annex V to the Water Framework Directive, provided that the monitoring—

- (a) is representative and a statistically robust baseline is available regarding the presence of those substances in the aquatic environment; and
- (b) takes place for each of the substances at least every three years, unless technical knowledge and expert judgment justify another interval.

Changes to legislation:

There are currently no known outstanding effects for the The Water Framework Directive (Classification, Priority Substances and Shellfish Waters) Regulations (Northern Ireland) 2015, Section 12.
