
STATUTORY RULES OF NORTHERN IRELAND

2015 No. 351

The Water Framework Directive (Classification,
Priority Substances and Shellfish Waters)
Regulations (Northern Ireland) 2015

14. The Department must carry out monitoring under regulation 13(1) in sediment and/or biota so as to provide sufficient data for a reliable long-term trend analysis. The monitoring should take place every three years, unless the Department's technical knowledge and expert judgement justify another interval.

Changes to legislation:

There are currently no known outstanding effects for the The Water Framework Directive (Classification, Priority Substances and Shellfish Waters) Regulations (Northern Ireland) 2015, Section 14.
