The Planning (Environmental Impact Assessment) Regulations (Northern Ireland) 2015

PART 4

Procedures on Receipt of Application

Application made to the Department without an environmental statement

17.—(1) Where an EIA application, including an application determined as such under regulation 11 or 15, is not accompanied by an environmental statement or a statement referred to by the applicant as an environmental statement, the Department shall notify the applicant in writing that the submission of such a statement is required, giving clearly and precisely the full reasons for its view and shall send a copy of its notification to the council.

(2) The Department shall notify the applicant in accordance with paragraph (1) within 4 weeks from the date of receipt of the application or such longer period as may be agreed in writing with the applicant.

(3) An applicant receiving a notification pursuant to paragraph (1) shall, within 4 weeks from the date of the determination, inform the Department, in writing, that the applicant—

- (a) accepts the Department's determination and proposes to provide an environmental statement; or
- (b) does not accept the Department's determination and proposes to seek a hearing before the Commission.

(4) If the applicant does not inform the Department in writing in accordance with paragraph (3), the permission or subsequent consent sought shall be deemed to be refused at the end of the relevant 4 week period.

(5) Where, following receipt of a notification pursuant to paragraph (1), an applicant proposes to seek a hearing before the Commission, the applicant shall by notice in writing inform the Commission to such effect within 4 weeks from the date of the notification.

(6) Where the Department determines, or following a hearing by the Commission confirms, that an environmental statement is required, the statement shall be submitted within 6 months from the date of determination or such extended period as may be agreed in writing between the applicant and the Department, and if not so submitted, the application for planning permission or subsequent application shall be deemed to be refused.

(7) Where, following a hearing by the Commission, the Department withdraws its determination that an environmental statement is required, the period within which the application for planning permission or subsequent application is to be determined shall be calculated from the date of notice to the applicant of the Department's withdrawal.

(8) Where the Department makes a determination under regulation 11(1) or 15(1) that an environmental statement is required or confirms a determination under paragraph (6), regulations 8(4) and 9 shall apply.
