
STATUTORY RULES OF NORTHERN IRELAND

2015 No. 85

The Planning (Management of Waste from Extractive Industries) Regulations (Northern Ireland) 2015

PART 2

GENERAL PROVISIONS

Prohibition on the grant of planning permission or deemed grant of planning permission for relevant development without prior approval of a waste management plan and conditions on such permission

- 4.—(1) Subject to regulation 5—
- (a) planning permission for relevant development shall not be granted unless a waste management plan has been submitted to and approved by the council in accordance with regulations 6 and 7;
 - (b) every planning permission granted for relevant development in respect of a waste facility shall be subject to the conditions of regulations 8 to 12;
 - (c) every planning permission to which sub-paragraph (b) applies and which involves a Category A waste facility shall be subject to the conditions referred to in those respective sub-paragraphs, as applicable, and shall also be subject to the conditions of regulation 13; and
 - (d) every application for planning permission to which sub-paragraph (c) applies shall be accompanied by such information as is necessary to enable the council to draw up an external emergency plan in accordance with regulation 19.
- (2) If planning permission for relevant development is granted without the conditions required by these Regulations, as appropriate, it shall be deemed to have been granted subject to such conditions.
