**GENERAL PROVISIONS RELATING TO SCHEMES THAT  
WERE SALARY RELATED CONTRACTED-OUT SCHEMES**

**Alteration of scheme rules**

**3.** For the purposes of section 33(1)(1) of the 1993 Act (prohibition on alteration of rules of schemes that were contracted-out unless alteration is of a prescribed description), the alterations which are prescribed are any alterations which are allowed by regulations 8 and 11.

**Determination that an earner was in contracted-out employment**

**4.—(1)** This regulation applies where—

- (a) an earner (“E”) has been in employment, during a period in which employment of the same description as E’s employment was contracted-out(2), but E’s employment was not (apart from this regulation) contracted-out in relation to E, and
- (b) the Commissioners are satisfied—
  - (i) that the employment was not contracted-out in relation to E solely because E was not, during that period, a member of the relevant scheme(3), and
  - (ii) that E, during that period, was not a member of that scheme solely because of inadvertence.

(2) Where this regulation applies, the Commissioners may determine that E was in contracted-out employment by reference to that scheme during that period.

**Provision of information**

**5.—(1)** The Department or the Commissioners may give any information that they could give to the trustees of an occupational pension scheme, under section 152(1)(4) of the 1993 Act (information for purposes of contracting-out), to the following persons—

- (2) Paragraph (1)(c) is subject to the condition that the information to be given is either—
- (a) as to—
    - (i) the total amount of the guaranteed minimum pensions to which it appears to the Commissioners that all persons entitled under the scheme (whether immediately or prospectively) are so entitled, or
    - (ii) whether the scheme is liable in respect of any section 5(2B) rights, or
  - (b) given with the consent of the earner, widow, widower or surviving civil partner to whom it relates, such consent being given in writing, or by means of an electronic communication in such form as the Commissioners may approve.

    - (i) they are to be applied first towards satisfying the amounts of the liabilities mentioned in earlier sub-paragraphs of that Article before those mentioned in later sub-paragraphs, and
    - (ii) where the amounts of the liabilities mentioned in one of those sub-paragraphs cannot be satisfied in full, all such liabilities are to be satisfied in the same proportions;
  - (b) that not more than 5 per cent. of the current market value of the scheme’s resources are invested in a person who is an employer, or connected with an employer, in relation to the scheme if such investments are required to meet the liabilities specified in sub-paragraph (a) and the value of such investments is to be calculated and determined in a manner approved by the Commissioners, and
