
STATUTORY RULES OF NORTHERN IRELAND

2016 No. 244

The Seed Marketing Regulations (Northern Ireland) 2016

PART 5

Administration and revocations

Sampling for enforcement purposes

25.—(1) A sample of seed taken for the purposes of enforcing these Regulations must be taken by an authorised officer of the Department, who must divide it into three parts.

(2) One part must be given to the owner of the seed (or a representative of the owner) and the other two parts must be sent to an official testing station, one for testing and the other for retention pending production to a court in accordance with section 9(7) of the Act.
