PART 4

Supplier's labels

Oil and fibre seed: supplier's labels

23.—(1) A supplier's label may be used on a small package of oil and fibre seed.

(2) A small package of oil and fibre seed is a package of any certified or commercial oil and fibre seed that does not weigh more than 15 kilograms.

(3) The label must be the same colour as the official label for that category of seed.

(4) The following must appear on the label—

- (a) the words “EU rules and standards”;
- (b) the name and address or identification number of the supplier responsible for affixing the label;
- (c) the reference number of the seed lot;
- (d) the species (this must be the botanical name, either in full or in abridged form);
- (e) the variety;
- (f) for certified seed, the category;
- (g) for commercial seed the words “commercial seed (not certified as to variety)”;
- (h) the declared net or gross weight of clusters or pure seed (except for packages not exceeding 500 grams);
- (i) where the weight is indicated and granulated pesticides, pelleting substances or other solid additives are used, the nature of the additive and the approximate ratio between the weight of the seed and the total weight.
