
STATUTORY RULES OF NORTHERN IRELAND

2016 No. 28

The Emissions Performance Standard Monitoring and
Enforcement Regulations (Northern Ireland) 2016

PART 2

Monitoring and enforcement

Enforcing authority

3.—(1) In relation to a relevant fossil fuel plant, the chief inspector is the enforcing authority by whom functions under these Regulations for or in connection with monitoring or enforcing the compliance of operators with the emissions limit duty are to be exercisable for the purposes of paragraph 1(1) of Schedule 5 to the Act.
