
STATUTORY RULES OF NORTHERN IRELAND

2016 No. 427

HEALTH AND SAFETY

The Mines Regulations (Northern Ireland) 2016

Made - - - - 13th December 2016

Coming into operation 1st February 2017

THE MINES REGULATIONS (NORTHERN IRELAND) 2016

PART 1

INTERPRETATION AND GENERAL

1. Citation, commencement and extent
2. Interpretation
3. Meaning of “mine”
4. Application of these Regulations

PART 2

HEALTH AND SAFETY MANAGEMENT

5. Duties of the owner
6. Notification of mining operations
7. General duties of the mine operator
8. Co-operation
9. Health and safety document
10. Management structure
11. Competence
12. Instructions, rules and schemes
13. Permits to work
14. Inspection of the mine
15. Maintenance and inspection of equipment
16. Record of persons below ground
17. Danger areas
18. Power of safety representatives to report imminent risk

PART 3 CONTROL OF MAJOR HAZARDS

Fire protection

- 19. General duty
- 20. Fire protection plan

Explosive atmospheres

- 21. Application of regulations 22 and 23
- 22. Explosive atmospheres
- 23. Ignition risks
- 24. Application of regulations 25 and 26
- 25. Burning and welding in coal mines
- 26. Risks of explosion in coal mines

Explosives

- 27. Application of regulations 28 to 31
- 28. General duties relating to explosives
- 29. Duties relating to explosives in mines with explosive atmospheres
- 30. Storage of explosives
- 31. Rules

Ground movement

- 32. Duty to take ground control measures

Inrushes

- 33. Precautions against inrushes
- 34. Information about inrush hazards
- 35. Mine workings in potentially hazardous areas

Shafts, outlets and winding

- 36. Shaft construction and modification
- 37. Equipment in relevant shafts and outlets
- 38. Safety features of winding apparatus
- 39. Inspection, maintenance and testing
- 40. Signalling and communication

Transport systems

- 41. Transport systems
- 42. Transport rules

PART 4

VENTILATION

- 43. Ventilation

PART 5

THE MINE ENVIRONMENT

Inhalable and respirable dust in coal mines

- 44. Application of COSHH below ground in coal mines
- 45. Assessment and control of inhalable and respirable dust in coal mines

Lighting and personal lamps

- 46. Lighting
- 47. Personal lamps

PART 6

SAFE EXIT, ESCAPE AND RESCUE

- 48. Exits from the mine
- 49. Ways out from places of work
- 50. Emergency routes and emergency doors
- 51. Auxiliary equipment
- 52. Intake airways
- 53. Duties of the mine operator with regard to escape and rescue
- 54. Escape and rescue plan
- 55. Emergency equipment and communication systems
- 56. Training and information
- 57. Self-rescuers

PART 7

SURVEYORS AND PLANS

- 58. Surveyor
- 59. Working plans, sections, ventilation plans and geological map

PART 8

TIPS AND TIPPING

- 60. General duty to ensure safety of tips
- 61. Appraisal of tips
- 62. Geotechnical assessments

Changes to legislation: There are currently no known outstanding effects for the
The Mines Regulations (Northern Ireland) 2016. (See end of Document for details)

- 63. Tips which are a significant hazard (notifiable tips)
- 64. Records of substances tipped
- 65. Notification of tips
- 66. Tips rules
- 67. Abandoned tips

PART 9

GENERAL

- 68. Record keeping
- 69. Plans of abandoned mines
- 70. Exemptions

PART 10

TRANSITIONAL PROVISIONS, REPEALS, REVOCATIONS AND MODIFICATIONS

- 71. Transitional provisions: general
- 72. Transitional provisions: tips
- 73. Repeals and revocations
- 74. Modifications
Signature
