
STATUTORY RULES OF NORTHERN IRELAND

2016 No. 49

The Working Time Regulations (Northern Ireland) 2016

PART 2

Rights and Obligations Concerning Working Time

Pattern of work

10. Where the pattern according to which an employer organises work is such as to put the health and safety of a worker employed by the employer at risk, in particular because the work is monotonous or the work-rate is predetermined, the employer shall ensure that the worker is given adequate rest breaks.

Changes to legislation:

There are currently no known outstanding effects for the The Working Time Regulations (Northern Ireland) 2016, Section 10.
