
STATUTORY RULES OF NORTHERN IRELAND

2016 No. 54

The Animals and Animal Products (Examination
for Residues and Maximum Residue Limits)
Regulations (Northern Ireland) 2016

PART 2

Prohibitions and Exceptions

Prohibition of the sale of animal products

10.—(1) A person shall not sell for human consumption any animal product derived from an animal the sale or supply for slaughter of which is prohibited under regulation 9.

(2) A person shall not sell for human consumption any animal product which contains—

- (a) an unauthorised substance, an unlicensed substance; or
- (b) an authorised substance at a concentration exceeding the relevant maximum residue limit.
