

SCHEDULES

SCHEDULE 3

Registration of varieties

Distinctness

8. A variety is distinct if it is clearly distinguishable by one or more characteristics that result from a particular genotype or combination of genotypes, from any other variety whose existence is a matter of common knowledge at the time of the application for registration.

Changes to legislation:

There are currently no known outstanding effects for the The Marketing of Fruit Plant and Propagating Material Regulations (Northern Ireland) 2017, Paragraph 8.
