STATUTORY RULES OF NORTHERN IRELAND

---

**2017 No. 211**

**The Private Water Supplies Regulations (Northern Ireland) 2017**

**PART 4**

**Action in The Event of Failure**

**Investigation**

**16.** The Department must carry out an investigation to establish the cause if it suspects that a private water supply monitored under these regulations is unwholesome or if an indicator parameter in a sample exceeds the concentrations or values prescribed in Schedule 1.
