UNEMPLOYMENT INSURANCE.**Compensation for Refund.**

MADE BY THE MINISTRY OF LABOUR FOR NORTHERN IRELAND UNDER THE UNEMPLOYMENT INSURANCE ACTS (NORTHERN IRELAND), 1920 TO 1924.

1924. No. 104.

The Ministry of Labour for Northern Ireland by virtue of the powers conferred on it by section nine of the Unemployment Insurance (No. 2) Act (Northern Ireland), 1924, and of all other powers enabling it in that behalf, hereby makes the following Regulations :—

1. Application for a payment under section nine of the Unemployment Insurance (No. 2) Act (Northern Ireland), 1924 (hereinafter referred to as the said section nine) shall be made in the appropriate form prescribed in the First Schedule hereto or in such other form as the Ministry may in any particular case accept.

2.—(1) In making the calculation referred to in paragraph (c) of sub-section (3) of the said section nine regard shall be had to the following matters, that is to say:—

- (a) the minimum number of insurance years which in the case of any insured contributor must have elapsed before a repayment under section twenty-five of the Unemployment Insurance Act, 1920 (hereinafter referred to as the principal Act) could have been claimed in respect of him;
- (b) the fact that an insured contributor may not live to attain the age at which a repayment under Section 25 of the principal Act could have been claimed in respect of him;
- (c) the fact that contributions in respect of the number of weeks required by section twenty-five of the principal Act might never have been paid by an insured contributor;
- (d) the fact that contributions may cease for a period comprising five insurance years to be paid in respect of an insured contributor;
- (e) the fact that payment is to be made to an insured contributor as at the seventh day of July, 1924, instead of at the date at which he would have been entitled to receive a repayment under section twenty-five of the principal Act.

(2) For the purposes of this regulation—

- (a) the minimum number of insurance years referred to in paragraph (1) (a) thereof shall in the case of any insured contributor be taken to be either the number ascertained by dividing by fifty the number of contributions necessary in his case to complete the number required by section twenty-five of the principal Act or the number of insurance years which must elapse before he could attain the age of sixty whichever is the greater (any fraction of an insurance year being reckoned as an insurance year); and
- (b) the rate of compound interest to be taken into account for the purposes of paragraph (1) (e) thereof shall be five per cent. per annum.

3.—(1) Whereas the figures shown in the column of the table contained in the second schedule hereto (hereinafter referred to as “index figures”) have been calculated in accordance with the provisions of the said section nine and of the last foregoing regulation so as to show in respect of each £1 of the credit balance of an insured contributor the present worth as on the seventh day of July, 1924, of the amount of the excess value of the contributions paid by him as increased (in the case of an insured contributor who has not attained the age of sixty years) by the compound interest mentioned in sub-section (1) of the said section :

Now therefore as respects any insured contributor the present worth of the amount of the excess value of his contributions as increased by any compound interest as aforesaid, if any, shall be calculated by multiplying his credit balance by the index figure appropriate in his case.

(2) For the purposes of this regulation—

- (a) the expression “credit balance” means the sum by which the total amount of the contributions of which account is to be taken paid by an insured contributor exceeds the aggregate of the sums received by him by way of benefit; and
- (b) the index figure appropriate in the case of any insured contributor shall be the index figure shown in the column of the said table representing the number of insurance years in the period during which contributions of which account is to be taken have been paid in respect of him upon the line representing the minimum number of insurance years which must have elapsed before a repayment under section twenty-five of the principal Act could have been claimed in respect of him.

4. These regulations may be cited as the Unemployment Insurance (Compensation for Refund) Regulations (Northern Ireland), 1924.

Given under the Official Seal of the Ministry of Labour for Northern Ireland, this seventh day of November, nineteen hundred and twenty-four.

(Signed) *H. Conacher,*

(L.S.)

Assistant Secretary to the Ministry
of Labour for Northern Ireland.
