(2) A person shall be treated as having made an application on the date on which the application is received by an officer of the Board :

Provided that where it is represented, and the officer is satisfied, that the application has been unduly delayed in transmission, he may treat the person as having made the application on the date on which it would have been so received but for the delay.

Information to be given on application or on change of circumstances.

4.—(1) Every person who makes an application shall furnish such certificates, documents, information and evidence for the purpose of deciding the application as may be required by an officer of the Board.
